6 Furore S.M. is not reliable but has got a useful run under his belt after illness. Opens fast and the short distance is an advantage. **9 You To Gangster** has become more stable and taken two wins in a row. Easy company two starts back, but all the more convincing in the last race. **2 Single Lane** has been improved of late and will now compete with an American bike for the first time. **3 Crazyandwild** has good speed and should like this short distance.

3 Master owns good capacity for this class, but hasn't really lived up to his capacity of late. Now he competes barefoot, which is a plus. **1 I Love Esther M.L.** has taken big steps since she started competing under the saddle. The form is top notch and over the right conditions she is once again a contender here. **8 Egon Vendil** has put in strong performances over tougher conditions towards the end. Could cause a surprise but needs some luck from here. **11 Eyesight** has won seven races under the saddle and should be improved by the last run under the belt.

2 Lookin At Lucky is both strong and fast and followed well behind Follow Him last autumn showing 1.12.7 over the long distance. He is the horse to beat here. **5 Mando Gowan** showed high peaks last year and makes an exciting seasonal debut here. However, it sounds like he needs this run under his belt. **1 Jopp** has found fine form and won the last race. Tricky number but has the strength to do it tough. **4 Donatello Face** will finish strongly with the right journey from behind.

10 Komnes Fina is unlikely to be at her best right away, but she is very good for this class and in a wide open race we think she can pass everyone. **4 Nons Ängla** has shown good resources for this class but has not been reliable lately. Owns good strength and without a mistake, she will be in the fight for a top place. **2 Olsims Elise** is clearly better than the results show and has galloped on the way to good results in the last two starts. **9 Järvsö Britt Marie** is the stable pleased with. Mats Djuse now!

6 Explosive Bi is a strong and big horse but he was not at his best in the seasonal debut, where he mostly looked slow. The six-year-old is good for this class and has a good chance here if improved. **2 Eagle Trot** is in consistent and good for this company. Is driven by gifted Simon Helm and the eight-year-old horse can open fast sharply. **12 Husar Brick** is used to tougher opponents and has shown improving form of late. **5 Macho Man** has quite good capacity but needs to show more. Interesting changes this time.

7 Rania Zon is used to competing over much tougher conditions and makes a very interesting debut for this trainer in this quite easy field. She is certainly well prepared. Good chance. **2 Lion Silver** can challenge if he delivers at his highest level. The only win of his career was taken from the front and without back shoes, which is a definite plus. **3 Fashionated** has shown good form of late and beat a horse like B.G.Svedjan two starts back. **12 Skilling Banco** is in great shape today.
