8 XO Kemp made a fully approved qualification and is Daniel Wäjersten's pick out of three horses in this race. Our winner despite this number. **10 Global Freedom** followed well in her debut as runner-up. Probably improved by that run under his belt. Challenger. **7 Dufлот** makes his first start and has got a good starting lane. One of several horses who can win this race. **3 Dropthegloves** will reach a good position from this lane and will be in the mix.

10 Mellby Lurk made several good efforts last year. First start of the year, but if the four-year-old is only close to top form, he should have a good chance to win. **1 Mons Blizzard** won after a nice trip last time. Quick starter and should get a good position. Early contender again. **9 Smashing You** has won four out of six starts and was good the last time he visited Sweden. Is strong and tough and will be in the fight for victory. **7 Stairway To Heaven** is the most experienced in the race with his 21 starts. Quick pace would be an advantage and will then pass many opponents here.

7 Alfred Zonett is coming back after the break and even if he might lack a bit of pace, he should still be ranked highest in this race. **4 Viking Lane** can open quite fast and is the close favorite for the lead after a bit and in that position he will not be easy to defeat. **6 Global Born To Run** won easily second last and with a similar effort, the seven-year-old is once again in the battle for victory. **10 Justin Bieber Sisu** is not completely reliable, but likes the short distance where he has taken two of his total three victories.

10 Mellby Lion galloped directly in the last run but came back well and got then locked in with energy spared. Normally hard to beat despite this back line draw. **4 Edsinette** is coming back after a pause, but is a good horse for this class and could be on the podium right away. **7 Staro Roseway** followed well in the seasonal debut and will be even better now. Early choice behind the favorite. **6 Nemesia Boko** is often in the mix and should be able to fight for victory again here.

6 Global Dash uses to put in good efforts most of the time. The five-year-old can open fast and is favorite for the front and in that position he has taken seven of his total of ten wins. Our pick. **7 Excusez Moi** kept up the pace well as second behind Mon's Tornado in his seasonal debut. The five-year-old is probably improved in form by that race. Will fight for victory here. **1 Young Mistress** can't find the lead with this inside lane, but should get a good position. Quick pace would be an advantage. Should not be overlooked. **8 Ellis Pride** did well last time. Full form, but will find it hard to win this with this poor number.
