4 Arya Star won easily from the lead and looks to have found top form after two races under her belt. Now she finds the lead again and from there the mare has a good chance. **6 Estrella Bourbon** comes with two wins in a row and is in fine form. Quick starter and in the mix again. **2 Happy So Easy** has a good starting position and the capacity to win the race. **5 Father Boah** is consistent and good and would benefit from high pace in the lead.

2 Will Eros won outright in the last race after a long break from racing. The eight-year-old should have been improved by that race and has a good chance of winning from a nice starting position. **11 Tjuagutt'n** is good for this class and should be the biggest threat to our pick despite this starting position. **8 Geissler** won directly after the break. Better with that run under his belt, but is poorly drawn. **6 Kuven Lennart** has quite good capacity, but is mainly a place bet.

6 Stilige Odin is coming back after a pause, but despite the lack of races the six-year-old should still have a good chance of winning as he is by far the best horse in this field. **7 Brenne Bella** is speedy and should be considered despite a tough starting position behind the gate. **2 Alma Solan** is a quick starter and if he finds the lead his chances will increase. **5 Vertigo Safir** has the right attitude, but doesn't win very often.

6 Stjerne Solo has three wins in a row and the four-year-old is in top form . He can do it tough and win the race in different ways. Our pick. **1 Heggmyrs Lagertha** has a good starting position. Owns nice speed, but is not completely reliable. In the mix without a mistake. **4 Pave Berit** was a disappointment as a favorite in the seasonal debut. Better with that run under his belt and early contender behind the favorite. **9 Spang Teira** won by a wide margin in the last race and should be considered even though this task looks tougher.

Is good enough to challenge for the win. **11 Speedy Canepa** should also be in the running for victory after several really good performances. **12 For The Heart E.P.** is consistent and good, but is mainly a place bet from this starting position.
