RANK

9 Duplantis Pellini has shown nice speed in the US and seems very good for this low class. Not easy to predict, but we expect him to have top chance with the right trip. **2 Kalypso Caesar** had a really nice seasonal debut when she had to do it tough from the outside of the leader. Run under her belt now. **1 Bold Silvio** owns good potential for this class but has not competed for a while. **4 Lumiere Rouge** is fast and has started her career well.

7 Intervetten Am put in a strong effort in his debut and is certainly even better now. Gets an offensive start by Rosleff and should have a good chance of reaching the front here from this lane. Once there he will not be easy to pass. **4 Poker Face** is speedy but not entirely reliable. Won by a wide margin from the front finishing 14.6/1000 last time. If he handles his starting number, he is a challenger to our pick. **6 King Darling** has the capacity to be in the mix here. **9 Maranichi** is in good form. This lane in the second line is a minus though.

9 King Of Everything impressed when he won in February finishing 10.5/700. Faces quite easy opponents and has a good chance to finish to victory again. **1 Edibear** is normally good for this class and an early contender, but he did not convince as third in the last race and his form is therefore a bit hard to predict. **2 Under Armour** has been on the way up lately. Now he is also racing barefoot which is a big plus for the eight-year-old. **7 Pour Mea Double** showed great times on a couple of occasions last year.

4 Swish The Cash didn't have the best preparation last time and had a false start. Nice task for a quick revenge on his home track now, where he has taken seven of eleven career wins so far. **1 Isseymiyake Secret** was second in the Danish trotting derby last year. He is in good shape and from a good draw he gets a nice trip. **7 Dubai Kronos** has not lived up to his reputation so far. Is very good for this class though and is an early contender here if improved. **2 Henrik Will** is making his seasonal debut here and mainly a place bet.

RANK

3 Godfather finished strongly to a third spot in the debut for his new trainer and should be improved by that run under his belt. Has won from the lead and once in that position he is the horse to beat. **7 Warrior's Tale** is matched in much tougher companies than this one. Seasonal debut though and tricky lane. **10 Gustav Simoni** might need the race, but he likes the short distance and is good for this type of race. **4 Sunrise** is challenging for the lead and in good form. Possible.

1 Tamburine Tile competed in tough companies as a 3-year-old and scored only one win in eleven starts last season. Put in some sharp performances though. Working well before this seasonal debut and our pick in an open race. **6 Wilma Express** was brave after an offensive trip in the last race and has a run under her belt now. **10 Donna Inez** comes from a couple of strong efforts and is in top form today. **4 Sunflower Tile** has good capacity for this class but is not completely reliable.
