LADBROKES SUPPORTING JAMIE'S FARM CONDITIONAL JOCKEYS' HANDICAP CHASE (5) 5yo+ (Rated 0-100)
£8,000 2m214y (3410 Metres)

Going: **Good**

Left handed, tight and undulating. Despite the undulations, it's essentially a course which favours handy sorts thanks to the sharp turns. Races on the hurdles course often begin in earnest early on the final circuit, the complexion changing quickly at this point. Ranks surprisingly highly for proportion of casualties on the chase course, especially as the average field size is low, this figure probably reflective of the low standard of horses rather than the stiffness of the fences, though the first in the back straight falls away and has long since been tricky. Beware those horses who stick to the inside on the hurdles track when the ground is testing, better going often found by racing wide.

Pace Information: **Very Weak**

	Charlie Longsdon Elizabeth Gale (8lb/4kg)		
	Successful 2 out of his 3 starts over fences in France for Gabriel Leenders. Yet to reproduce that form for current yard but last month's Sedgely third was more encouraging. Claims if he can build on that.		
3	STONY MAN (IRE) (18) (D)	s	96
	P/PP4-4686 9 11-5 72.1kg		
	Robbie Llewellyn Sean Clarke (10lb/5kg)		
	Mixed record, not showing enough in 2 outings since joining Robbie Llewellyn to be that hopeful about his prospects here.		
4	MISS FEDORA (IRE) (9) (CD)		95
	56363154 6 10-11 68.5kg		
	Seamus Mullins Ellis Collier (3lb/1kg)		
	Finally got off the mark over fences in 6-runner C&D handicap in January. Respectable fourth of 6 at Taunton latest in a race which didn't lend itself to her hold-up style. Possibilities.		
5	GROOVEUR (FR) (354)		97
	634- 9 10-9 67.6kg		
	Daniel O'Brien Freddie Gordon		
	Ludlow novice hurdle winner for Alastair Ralph back in March 2021. First sign of retaining ability for new yard (tailed-off third penultimate start) when fourth of 10 in 20.5f course handicap hurdle last April. Not seen since and pulled up in his previous attempt over fences.

	591/24-395 8 10-2 64.4kg		
	Karen Jewell Ben Bromley		
	C&D winner 2 years ago. Just as good when second at Fontwell a month later but he's yet to confirm he retains that level ability in 3 comeback outings this season.

	Veteran still winless over fences (just 1-41 overall) and probably set for another struggle judged on recent efforts.

BETTING FORECAST:

2-1 Delpotro, 3-1 Miss Fedora, 11-2 Stony Man, 7-1 Pleasure Garden, 8-1 Grooveur, 18-1 Clondaw Robin

TIMEFORM VIEW:

DELPOTRO's latest Sedgely third from a career-low mark was his best yet since joining Charlie Longsdon and he's narrowly selected to build on that and come out on top. C&D winner Miss Fedora may emerge as the chief threat.

1	BLACKSAMSSSENORITA (11)	★ 100
	30-73221 6 11-9 73.9kg	
	Joe Tizzard 	Brendan Powell
	Fair hurdler who got off the mark in 5-runner maiden at Exeter (16.7f, good to firm) 11 days ago. Can do better over this longer trip and is the one to beat.	
2	BACK IN THE BAY (IRE) (204)

	James Owen	Niall Houlihan
	Fair form in bumpers but pulled up in novice at Worcester (20f, good) on hurdles bow 6 months ago on her final run for David Pipe. Has since undergone breathing surgery and one to consider for her new yard.	
3	DANCE THE MOON (31)	91

TIMEFORM VIEW:

BLACKSAMSSSENORITA holds the clear edge on form and with more to come now she steps up in distance she is impossible to oppose. Southwell third Dance The Moon appeals as the one to chase home Joe Tizzard’s mare ahead of James Owen’s new recruit Back In The Bay.

1	PURE THEATRE (IRE) (3)	t	94
	63-688652 7 12-0 76.2kg		
	Anthony Honeyball Chad Bament (71lb/3kg)		
Dual winner in mares' hurdles in spring 2023. More miss than hit since but stopped the slide from easing mark when second of 3 in handicap hurdle at Wincanton (24.7f) 3 days ago. Claims if backing that up turned out quickly. Yard also saddle Styliia.			
2	STYLIA (FR) (77)		45
	8044 5 11-6 72.6kg		
	Anthony Honeyball Ben Godfrey		
Down the field only start in bumpers but glimmers of promise to glean from 2 of her 3 starts in novice/maiden hurdles at around 2m during the winter. In good hands and capable of better now handicapping over this markedly longer trip.			
3	BALLELA BLAZE (IRE) (14)		91
	7-05483 7 11-4 71.7kg		
	Thomas Gallagher David Noonan		
Easy winner sole start in Irish points in March 2023 but not yet threatened under Rules, making only late gains when third of 9 in handicap hurdle at Sedgfield (19.8f, good to soft) 14 days ago. This step up in trip needs to unlock some improvement.			
4	WESTTARA (24)		91
	37-36P5 10 11-3 71.2kg		
	Diana Grissell Marc Goldstein		
Left previous efforts behind when third in maiden at this venue 12 months ago before finishing season with a creditable third of 7 in a handicap at Fontwell (25.8f, good). However, low-key efforts since the turn of the year and others more persuasive despite tumbling mark.			
5	ABBHEYHILL (IRE) (39) (CD)	b+t	100
	21-P56344 8 10-13 69.4kg		
	Neil Mulholland Conor O'Farrell		
Dual hurdles scorer around 3m last season who showed more than previously over fences when making the frame in handicaps at Market Rasen/Ffos Las before a lacklustre effort at Fontwell (26f) in February. Blinkers go on back over hurdles and a revival certainly not ruled out.			
6	BELLA CAVALLA (IRE) (136)	s	96
	8P-354223 7 10-7 66.7kg		
	Neil Mulholland Harriet Tucker (71lb/3kg)		
Temperamental sort who is still winless over hurdles but ran up to best when runner-up in a C&D handicap in October. Not discredited when third of 4 in handicap back here a month later and she's not out of things back from a break.

BETTING FORECAST:

3-1 Abbeyhill, 10-3 Pure Theatre, 4-1 Styliia, 9-2 Bella Cavalla, 6-1 Ballela Blaze, 33-1 Westtara

TIMEFORM VIEW:

Not a deep contest by any means and with that in mind a chance is taken on STYLIA. She looked to be brought along gradually in maiden/novice hurdle contests during the winter and very much appeals as the type to progress now handicapping over this much longer trip. Abbeyhill, back over hurdles in first-time blinkers, looks the danger.

1	LEADING SWOOP (IRE) (17) (D)	b		100
	5P8-32321 9 12-0 76.2kg			
	Robert Walford		Harry Kimber	
	Blinkers replaced usual cheekpieces when a good second of 10 in handicap chase at Fontwell in February and he didn't need to improve to go one place better back there (26f) 17 days ago. Follow up may well be forthcoming in another weak race.			
2	DEAR RALPHY (IRE) (39) (D)	b+t		80
	2FP6-2123 9 12-0 76.2kg			
	Anthony Honeyball		Rex Dingle	
	Made an inauspicious start over fences when falling at the sixth at Wincanton in January 2024 but in top form over hurdles during the summer. Shaped as though in need of the run back chasing in the mud at Fontwell a month ago and he can step up on that.			
3	KADEX (FR) (74) (CD)	s		72
	PPPF-PP5P 7 11-1 70.3kg			
	Alan Jones		Philip Armson (3lb/1kg)	
	Has dropped a long way in the weights since C&D success in October 2023, failing to complete more often than not.			
4	AUTUMN PHILTRE (IRE) (17)	s		70
	P/PP 9 10-13 69.4kg			
	Paddy Butler		Freddie Mitchell (5lb/2kg)

5	BALLINTARA (IRE) (67) (D)	b		70
	P 13 10-11 68.5kg			
	Diana Grissell		Marc Goldstein	
	Modest hurdler/chaser who opened his account in this sphere here in June 2021. Restricted to just 2 runs under Rules since (has also won in points) pulling up both times. Blinkers on.			
6	DELGANY MONARCH (IRE) (17) (CD)			72
	1/6U37-P96 10 10-7 66.7kg			
	Richard Rowe		Tabitha Worsley (3lb/1kg)	
	Won 3-runner C&D handicap in April 2023 but far more miss than hit since.

BETTING FORECAST:

8-13 Leading Swoop, 10-3 Dear Ralphy, 14-1 Kadex, 14-1 Delgany Monarch, 40-1 bar

TIMEFORM VIEW:

LEADING SWOOP rather stands out as an in-form runner against mainly limited/out-of-sorts rivals so he's expected to follow up his Fontwell success. Dear Ralphy should last longer this time away from heavy ground and is the main threat.

1	HECOULDBETHEONE (IRE) (126) (CD, BF)	v	★	100
	5691-1025 8 11-12 75.3kg			
	James Owen		Mr Alex Chadwick (5lb/2kg)	
	Revitalised for James Owen in spring of 2024. Sound comeback when runner-up back at Fontwell but didn't see his race out as well when only fifth of 11 at Taunton (19f, good to soft) next time. Connections opt for first-time visor (replaces usual cheekpieces) and he may get back on track.			
2	SHENGAI ENKI (FR) (10) (BF)	s		99
	4P675132 6 11-7 73.0kg			
	Dr Richard Newland & Jamie Insole		Freddie Mitchell (5lb/2kg)	
	Has proved better than ever with cheekpieces refitted, landing 6-runner handicap hurdle at Fontwell (21.7f, heavy) in February before brace of placed efforts last month. Can remain competitive.			
3	LUMI PLUGIN (24) (CD)			97
	362-20231 6 11-4 71.7kg			
	Gary & Josh Moore		Rob Hargreaves (7lb/3kg)	
	Well backed when not seen to best effect over 25f here in February and back over this C&D, he made no mistake in 7-runner contest 3 weeks ago, staying on well. Up 5 lb but hard to rule out a bold follow-up bid.			
4	NARRAGANSETT (26) (C)	h		97
	2211 4 11-2 70.8kg			
	Neil Mulholland		Conor O'Farrell	
	Fairly useful (and lightly-raced) winner on the Flat who, having found only one too good on first 2 hurdle runs, had little trouble landing cramped odds in a course maiden (2m) in February. Better form when following up in handicap company at Sandown. Limit not yet reached.

SMART STATS:
No Smart Stats available for this race

1	MACARI (108) (C)	98
	217-P4254 5 12-0 76.2kg Sheena West Course winner at this meeting last year and shaped as if back in form when fourth of 11 at this C&D (good to soft) back in December. Freshened up since and can go well.	Marc Goldstein
2	RIP WHEELER (IRE) (49)	96
	6644 5 11-13 75.7kg Gary & Josh Moore Picked up for £31,000 after winning one of his 3 point starts. Minor promise in maiden/novice hurdles and didn't shape at all badly with a view to stepping up in trip when a staying-on fourth of 7 on handicap debut at Sandown (16f, soft) 7 weeks ago. In good hands and progress anticipated.	Niall Houlihan
3	LEAVE HER TO ME (8)	100
	813694F1 7 11-12 75.3kg David Killahena & Graeme McPherson NON RUNNER.	Non Runner
4	JOREBEL (FR) (5)	96
	74043 6 11-7 73.0kg Chris Gordon Placed in Irish points but well held in maiden/novice hurdles over the winter. Sent off much shorter on both handicap starts and showed improved form when third of 8 at Uttoxeter (15.8f, good to soft) 5 days ago. This step up in trip can unlock further progress.	Freddie Gordon (3lb/1kg)
5	VORDERMAN (24)	89
	87166 4 11-5 72.1kg Roger Teal Well held in 2 bumpers but sprung a 25/1 surprise on Fontwell hurdle debut in December. Seems to be going the wrong way though, well beaten on both subsequent starts, but this switch to a handicap should see him in a better light.	Ben Ffrench Davis (5lb/2kg)
6	STEEL DANCER (85)	69
	6-09P 6 11-3 71.2kg Anthony Honeyball Has shown precious little in bumper/novice hurdles but could well prove a different proposition now handicapping with a tongue tie added.	Ben Godfrey
7	SMITH (IRE) (146)	80
	PP/48 9 10-13 69.4kg Lydia Richards Successful 8 times on the Flat (including on latest outing at Lingfield in December) but he's something of an AW specialist in that sphere and has yet to make any significant impact over hurdles. Easy enough to look elsewhere.	Rex Dingle
8	GORCOMBE MOONSHINE (28)	97
	F-3438237 8 10-8 67.1kg Robert Walford Sole victory came over fences back in December 2023 but has performed with credit over hurdles this season, finishing third of 7 at this track in January. Followed that up with a rare poor effort at Wincanton 4 weeks ago but no surprise to see him bounce back now stepped up in distance.	Harry Kimber

8 DECLARED RUNNERS

BETTING FORECAST:
3-1 Rip Wheeler, 4-1 Macari, 9-2 Jorebel, 8-1 Steel Dancer, 8-1 Gorcombe Moonshine, 9-1 Vorderman, 16-1 Smith

TIMEFORM VIEW:
RIP WHEELER didn't shape at all badly with a view to stepping up in trip at Sandown 7 weeks ago (crossed the line with a bit in the tank), so he could be the way to go with progress anticipated. Jorebel and handicap-debutant Steel Dancer may emerge as the chief threats.
