6 Queen Gold was not empty when he galloped in the final turn in the last comeback race. Certainly better now and is driven by Magnus A Djuse. **4 Ace Wibb** took two wins in a row last autumn but has not raced since then. We assume that he is well prepared by Bergh. Should be considered early. **3 Fuel Capacity** galloped in the last race over the home stretch on the way to victory. Chases revenge. Barefoot. **7 Casper Tribut** is a quick starter and could reach a good position despite this lane. Possible.

4 Noble Express is a nice horse that comes from a V75 race. Took a couple of wins before that and would also have won at Färjestad without a gallop. Good draw. Good chance. **2 Fuego Jet** comes with two wins and is in good shape. Quick starter and will probably get a nice trip. Early choice. **7 Pure Lana** was second from the lead in the last comeback race. Better now and Magnus A Djuse is a big advantage too. Can open fast! **11 Norah W.Boko** is in good form but needs a bit of luck from here.

11 Carrera Hall is a nice horse in the Claes Sjöström stable. Came back well after a gallop in the last race and took two wins from behind before that. Good chance with the right trip. **5 Killer Journey** wins quite often. Has been defeated from the lead at the end. Is our favorite for the front again here. **4 Muscle Will** is coming off a win and has started well this year. Magnus A Djuse is driving this time! **6 Sahara E.Type** started the season with three straight wins. Should of course not be discounted here either. Barefoot behind now.

6 Mixed Hangover is our pick even though he hasn't raced since October. She has three victories out of three together with Magnus A Djuse and won a V75 race at Jägersro in August. **4 Hidalgo Simoni** is the main challenger. He has started this season really well and won the last race after a strong finish. Oskar J Andersson is now driving. **10 Earnest** has competed in the V75 recently and faces easier opposition this time. Was not empty when he galloped last time. **3 Norris** got a tough journey in the last V75 race at Bjerke and was defeated early on. Started the season with three wins in a row.
