BETMGM ALL-WEATHER VASE FILLIES' HANDICAP (4) 3yo+ fillies and mares (Rated 0-80) £50,000 7f1y (1410 Metres)**GBI RACING**Going: **Standard**

Lingfield's left-handed all-weather track is laid out inside the turf track and, measuring just less than a mile and a quarter round, is essentially sharp in nature. This, along with how the races often pan out ensures that stamina is rarely at a premium and strong-travelling types with a turn of foot are often favoured. Predominantly flat, there is a slight downhill turn in to the straight. At shorter trips, prominent racers tend to outperform those ridden more patiently, though there seems little advantage over further. Lingfield's surface is polytrack.

1 8 MADAME DE SEVIGNE (IRE) (22) (D) 93
502284-07 **5** 10-2 | 64.4kg

John Butler

Darragh Keenan

Dual winner on turf and has gone close a couple of times on the all-weather, including on debut for Darryll Holland at Southwell (1m) in October. However, she has failed to fire both starts for new yard and is passed over here, for all that she's slipped to an attractive mark.

2 4 MERESIDE DIVA (IRE) (35) (D, BF) 93
070-92317 **6** 10-1 | 64.0kg

David & Nicola Barron

William Pyle (3lb/1kg)

Lightly raced on all-weather and returned to form with a couple of solid placed efforts at Southwell prior to landing a 4-runner Newcastle handicap (7f) in first-time blinkers. Wasn't in the same form over this C&D next time, though, and she's probably worth taking on for win purposes.

3 5 LADY MANZOR (14) (CD) 98
354245-86 **4** 10-0 | 63.5kg

Amanda Perrett

Jack Dace (5lb/2kg)

Two of her 3 career wins have been gained over C&D, including this race 12 months ago. Hasn't hit top form in 3 runs since returning from a 3-month break but she's just 3 lb higher than when landing this prize last year and perhaps the first-time cheekpieces will help give her a lift.

4 1 PARTY BEAR (IRE) (23) (CD) 94
08-621435 **4** 9-10 | 61.7kg

K. R. Burke

Jack Nicholls (5lb/2kg)

Regained winning thread over C&D at the end of January and close third in a pretty valuable handicap back here on penultimate start was up there with her very best efforts. Reared leaving stalls at Newcastle next time, so that run can be overlooked and she has to enter calculations.

5 7 HANDLE WITH CARE (55) (CD) 92
547761-34 **4** 9-10 | 61.7kg

Marco Botti

Marco Ghiani

Successful over 6f here last spring and doubled her tally when making all for a narrow verdict over C&D on New Year's Eve. Has made the frame both subsequent starts but she looks vulnerable from a win point of view nonetheless.

6 10 SO SASSY (IRE) (32) (C) 96
44134-274 **4** 9-6 | 59.9kg

James Fanshawe

George Wood

Got on top close home when opening her account in a 6f handicap here last summer. More good efforts than bad ones since and she could have a part to play now back up in trip, provided that she avoids traffic problems from her wide draw.

7 2 SEARCHINGTHEBLUES (74) (D) 94
77709835-5 **4** 9-5 | 59.4kg

Mark Usher

Tyler Heard

Respectable third in 6-runner Wolverhampton handicap on second run following a breathing operation but she has failed to build on that in 2 subsequent appearances.

8 12 BELLA BISBEE (11) (D) 87
124-26055 **5** 9-2 | 58.1kg

Scott Dixon

Kieran O'Neill

Returned to form when scoring in decisive fashion on stable debut at Wolverhampton (7f) in December. Made the frame at the same course next 3 starts but form has since dipped and others make more appeal.

9 9 DANDY KHAN (IRE) (7) (CD) 91
53571535 **4** 9-1 | 57.6kg

Jim Boyle

Pat Cosgrave

Recorded fourth victory over C&D in February but that was in a 0-65 handicap and she hasn't really threatened since.

10 3 LADY DORA MAE (IRE) (32) (D) 97
7-211 **3** 8-11 | 55.8kg

George Boughey

Jack Callan (5lb/2kg)

Didn't shape badly in a maiden at the Curragh on sole 2-y-o start for previous connections and progressive switched to the all-weather for new yard, going close over C&D in January prior to bagging a 1m Southwell novice and 7f Kempton handicap. Likely there's more to come.

11 11 COOL MOLLY (IRE) (13) (C) 100
2332-1512 **3** 8-9 | 54.9kg

Ollie Sangster

David Probert

Twice a winner this year, including over 6f here in February, and just missed out at Newcastle recently. 3 lb rise for that close-call is tolerable and major player back at this course, with the step up to 7f unlikely to pose a problem. The one caveat is that stall 11 is far from ideal.

12 6 ELIZABETTY (IRE) (29) (D) 96
5527-7139 **3** 8-5 | 53.1kg

Brian Ellison

Luke Morris

Off the mark in 7f Newcastle novice in January and confirmed that improvement sent handicapping when third of 7 over 1m there the following month. Made a mess of the start when down the field last time and since undergone a breathing operation. Also engaged 1.50 Newcastle.

12 DECLARED RUNNERS

BETTING FORECAST:

11-4 Lady Dora Mae, **9-2** Cool Molly, **9-1** Party Bear, **10-1** Lady Manzor, **11-1** Mereside Diva, **12-1** So Sassy, **14-1** Elizabethy, **18-1** Madame De Sevigne, **22-1** Handle With Care, **28-1** Dandy Khan, **33-1** Bella Bisbee, **50-1** bar

TIMEFORM VIEW:

LADY DORA MAE just prevailed on her handicap bow at Kempton last month but she's only gone up 1 lb and, moreover, there should be more to come from this filly now pitched into a race where a strong end-to-end gallop is likely. Last year's winner Lady Manzor and the consistent Party Bear both merit respect, while Cool Molly and So Sassy would've been even higher on the shortlist but for being drawn wide.

3306/0-111 6 9-10 | 61.7kg

Adrian Keatley

Conor Whiteley (7lb/3kg)

Made it 3-3 on the all-weather and for present yard when landing a 4-runner Southwell handicap (1¼m) last week. Effectively 11 lb higher with his penalty here but he's clearly in rude health.

2 5 CHARLIE'S CHOICE (13) (C) **98**
34511327 6 9-9 | 61.2kg

David Simcock

Taryn Langley (5lb/2kg)

Model of consistency on all-weather this winter, scoring 3 times here since the turn of the year. However, the wheels came off at Newcastle where he suffered a heavy defeat 13 days ago.

3 10 DIAMOND BAY (123) (CD) **98**
84347243- 8 9-8 | 60.8kg

Tom Ward

Sean Levey

More good efforts than bad ones since scoring on 2025 reappearance and, now 1 lb below that winning mark, he has to be taken seriously over a C&D where he has tasted success in the past.

4 12 FRANCESCO BARACCA (35) **97**
061391-14 5 9-8 | 60.8kg

Eve Johnson Houghton

Jack Nicholls (5lb/2kg)

Back-to-back Wolverhampton during the winter and while stepping back up in trip here will help having found things happening too quickly over 1½m last time, he may be in the handicapper's grip for now.

5 4 TROJAN STORM (6) **98**
73317-807 5 9-7 | 60.3kg

Ian Williams

Charles Bishop

Produced a career-best when scoring over 1¼m at Ascot last summer but hasn't made much of an impact returned to the all-weather in recent months.

6 8 SHRIMP SHADY (31) **99**
21/372-441 4 9-7 | 60.3kg

Andrew Balding

Rob Hornby

In good order on the all-weather since returning from a break in December, emerging on top in a very tight finish at Wolverhampton (1¼m) last time. Hard to quibble with a 2 lb rise and he's one to consider.

7 7 DANCE TIME (31) (C) **99**
0201143-4 6 9-5 | 59.4kg

David Loughnane

Jack Callan (5lb/2kg)

Good strike rate on the all-weather (6-18) and put in a good shift when a close fourth in the handicap won by Shrimp Shady back from a break at Wolverhampton. 2 lb better off with that rival now and she merits respect.

8 9 RIYAMI (IRE) (28) (D) **94**
12602/001 7 9-5 | 59.4kg

Denis Hogan, Ireland

Keithen Kennedy (5lb/2kg)

No show first 2 starts following a lengthy absence but returned to form from out of the blue (first run since reportedly undergoing a breathing operation) when striking at Dundalk (2m) last month. This is tougher.

9 2 SELENIC (IRE) (13) **100**
21-6163 4 9-5 | 59.4kg

Sir Mark Prescott Bt

Luke Morris

Doubled her tally on second run in a handicap at Newcastle (1¼m) in January. Failed to fire next time but fared better when third back at Newcastle upped to 12.4f recently and this stiffer test could be just what she needs. Cheekpieces applied.

10 11 APPIER (IRE) (8) (C) **97**
1633-1323 7 9-5 | 59.4kg

Richard Bandey

Kieran O'Neill

Not the most straightforward but is going through a good spell for current yard, winning at Wolverhampton in January and placed all 3 starts since (close third to St Faz at Southwell last time). Place possibilities.

11 14 CIRCUIT BREAKER (31) (D) **97**
356092-26 6 9-4 | 59.0kg

Jonjo & A.J. O'Neill

Kieran Shoemark

Returned to form when runner-up in back-to-back Wolverhampton handicaps during the winter. Best to overlook latest effort but some of the others are more appealing here all the same.

12 13 VAGUELY ROYAL (IRE) (30) **98**
0/3000-766 6 9-2 | 58.1kg

Ian Williams

Paul Mulrennan

Useful at his best but hasn't scored in this sphere since December 2023 and while he acquitted himself well when sixth of 10 in the Southwell handicap won by Arc Zoosve last month, others look more solid.

13 1 TARBAT NESS (20) (D) **98**
21/21-1144 7 9-1 | 57.6kg

John Berry

Gina Mangan

Signed off 2025 turf season on a winning note at Catterick and back-to-back winner of Newcastle handicaps at around 2m earlier this year. By no means disgraced at Southwell the last twice and not without each-way hope here.

14 6 ARC ZOOSVE (30) (CD) **96**
661-41251 5 8-9 | 54.9kg

Neil King

Marco Ghiani

Notched third win on the all-weather since joining Neil King this winter when proving ¾-length too good for Appie over a marathon trip at Southwell last time. 3 lb rise fair enough and he's impossible to rule out.

14 DECLARED RUNNERS

BETTING FORECAST:

9-2 St Faz, **5-1** Shrimp Shady, **17-2** Arc Zoosve, **10-1** Selenic, **12-1** Dance Time, **14-1** Diamond Bay, **14-1** Riyami, **18-1** Tarbat Ness, **20-1** Appier, **22-1** Charlie's Choice, **22-1** Francesco Baracca, **25-1** Circuit Breaker, **33-1** Vaguely Royal, **40-1** bar

TIMEFORM VIEW:

Several to consider in this competitive handicap and a chance is taken on DIAMOND BAY, who won on his reappearance last year off a higher mark than this and his consistency is another strong selling point. Lightly-raced filly Selenic may well improve now upped in trip with headgear enlisted and she is feared most ahead of Dance Time, who was beaten just a neck when fourth to Shrimp Shady at Wolverhampton and is now 2 lb better off.

Only a long losing run and both recent efforts in cheekpieces hardly suggest that will be changing anytime soon. Did attract good support last time and it will be interesting to see if his supporters return.

2 3 CARBINE HARVESTER (FR) (51) (CD) t **97**
507032-57 4 9-6 | 59.9kg

 **William Haggas** **Jack Callan (5lb/2kg)**
4-time winner on all-weather, including over C&D who ended last year in good heart, placed at Kempton in November/December. Below form on last couple of outings though, so has a bit to prove now.

3 6 BETSEN (11) (D, BF) **97**
2071-4434 5 9-5 | 59.4kg

 **Tony Carroll** **Alistair Rawlinson**
Scored at Southwell on stable debut in November and has continued in decent nick, fourth of 6 at Wolverhampton after a breathing operation recently. This tougher but his style may prove better suited by this larger field.

4 12 ACCRUAL (27) (CD) es **98**
212-12685 5 9-5 | 59.4kg

 **David Loughnane** **Toby Moore (7lb/3kg)**
Front runner who won at Wolverhampton/over C&D this winter. Excuses last 3 starts, shaping as if back in form when fifth of 9 at Wolverhampton last month, again unable to get to the lead. Others more appealing on this occasion.

5 5 SILKY WILKIE (IRE) (27) (D) v **98**
09-314143 7 9-4 | 59.0kg

 **K. R. Burke** **Jack Nicholls (5lb/2kg)**
Took advantage of a much-reduced mark when ending long losing run at Newcastle in January and quickly back to winning ways at Wolverhampton the following month. Just respectable efforts the last twice and a visor is reapplied.

6 9 MOULIN BOOJ (IRE) (14) **97**
51354-410 6 9-3 | 58.5kg

 **George Scott** **Darragh Keenan**
At least as good as ever when winning over 5f at Wolverhampton last month. Unsuited by the step back up in trip when well beaten back there a fortnight ago but faces a stiff task in this sort of company.

7 7 JUSTCALLMEPETE (50) (CD, BF) b **98**
22111-454 7 9-3 | 58.5kg

 **Tony Carroll** **Dougie Costello**
Landed a hat-trick to end 2025 but hasn't been in quite the same form in 3 starts this year, only fourth of 6 at Chelmsford in February. Has seemingly been freshened up for this.

8 2 UNCLE DON (106) (BF) **99**
05403647- 4 9-3 | 58.5kg

 **Robert Cowell** **Marco Ghiani**
Had been shaping up well towards the back end of last year, making late inroads having been trapped wide when seventh of 12 at Chelmsford in December. Has since switched yards and he's capable should things drop right for his late-coming style.

9 1 DARK ACE (IRE) (14) (D) ★ **100**
4061243-1 4 9-2 | 58.1kg

 **Adrian McGuinness, Ireland** **Oisin James Orr**
Got his act together towards the end of last year and back on the up to make a winning return from 3 months off in 11-runner handicap at Wolverhampton a fortnight ago, leading close home with 3 last-time-out winners in behind. 4 lb higher mark doesn't seem insurmountable.

10 8 THE THAMES BOATMAN (29) (CD) h **96**
4252-1462 6 9-2 | 58.1kg

 **Richard Hughes** **Finley Marsh**
Again wasn't the best away but returned to form back at a venue where he has a good record when second of 5 in a handicap here (5f) last month. Each-way claims back up in distance.

11 10 INTERVENTION (14) (CD) s **97**
17-762780 9 9-0 | 57.2kg

 **Michael Appleby** **Conor Whiteley (7lb/3kg)**
Has a good record at this track but has struggled for consistency, following a below-par effort with an even worse one back over a longer trip at Wolverhampton a fortnight ago. Has dipped below last winning mark and cheekpieces go back on.

12 11 MESAAFI (92) (CD, BF) v **97**
0544344-0 5 8-13 | 56.7kg

 **Ross Burdon** **George Wood**
Scored twice on all-weather last summer and has been largely consistent since. Turned in a rare below-par effort back down at 5f at Newcastle on New Year's Day and has been off since. Back up to 6f in a reapplied visor.

12 DECLARED RUNNERS

BETTING FORECAST:

TIMEFORM VIEW:

An open-looking sprint which can go the way of DARK ACE, who had a trio of recent winners behind him when scoring back from a break at Wolverhampton a fortnight ago and Ado McGuinness' 4-y-o can defy a 4 lb higher mark. Stable-switcher Uncle Don needs things to drop right given his late-coming style but he can give the selection most to think about, with Silky Wilkie and Justcallmepete another couple who may well have a say, too.

Has developed a fine strike rate on all-weather and is on a roll at present, completing his hat-trick in determined fashion at Dundalk (1½m) 2 weeks ago. Now forced up in grade, but he's not dismissed lightly in his current form.

2 1 WYLD BILL (35) (CD) b 96121511-13 **5** 9-9 | 61.2kg John Ryan**Jack Dace (5lb/2kg)**

Improved again when completing a hat-trick over C&D in February, making it a sixth win in 9 starts, and gave another good account upped in grade when third in trial for this race in February. Has since left Denis Quinn.

3 13 NIGHT BREEZE (IRE) (6) 94321-09540 **6** 9-8 | 60.8kg Ian Williams**Paul Mulrennan**

Showed improved form last season, winning twice over 1½m at Ascot. Hasn't quite reached that level so far this year, down the field in the Roseberry at Kempton 6 days ago, but he now drops back in grade with tongue strap on first time.

4 9 SAN ANDREAS (IRE) (56) s 97524806-22 **10** 9-7 | 60.3kg Joseph Patrick O'Brien, Ireland**Toby Moore (7lb/3kg)**

Without a win in 2025 but has returned to form with 2 runner-up efforts at Dundalk this year, proving his effectiveness at an easy 2m on his latest outing. Drops back significantly in trip, though there looks to be plenty of pace in the race.

5 10 LONDONER (IRE) (27) (D) s 984320-2303 **6** 9-7 | 60.3kg Daniel & Claire Kubler**David Probert**

Useful handicapper who has run well in 3 of his 4 starts this year, leaving behind a lesser effort when third of 6 at Wolverhampton last time. He remains difficult to win with, though.

6 7 DARK MOON RISING (IRE) (22) s 9986372-852 **7** 9-7 | 60.3kg Kevin Ryan**Jack Callan (5lb/2kg)**

Without a win last year but ended the campaign with a close second at York and was beaten only by an improver at Chelmsford 22 days ago. Likely strong pace should suit and he's a major player from his last winning mark, with good-value claimer on board.

7 4 PENZANCE (14) (CD) s+t 9562976-230 **6** 9-6 | 59.9kg Mark Loughnane**Alistair Rawlinson**

Useful handicapper at best who ran better than for a while when second at Dundalk on return. Creditable effort next time but found run of good form coming to a halt at Wolverhampton 2 weeks ago. Tongue strap applied having left John Joseph Hanlon.

8 8 MY FERMOY (IRE) (14) 97362312-1 **4** 9-6 | 59.9kg Denis Coakley**George Bass**

Off the mark in 1m novice at Southwell in November and has improved in handicaps at around this trip both starts since, returning from 3 months off when scoring at Wolverhampton 2 weeks ago. Showed a good attitude last time and could still have more to offer.

9 6 TOWERLANDS (IRE) (27) (C, BF) 971112-4135 **4** 9-6 | 59.9kg Tony Carroll**Oisin James Orr**

Recorded his fourth win of the all-weather campaign at Wolverhampton in February and good third upped in grade at this course (1½m) later the same month. Unsited by the steady pace at Wolverhampton last time, so he could bounce back.

10 5 GREAT BEDWYN (32) (D) ★ 1006452856-2 **6** 9-5 | 59.4kg Richard Hannon **Sean Levey**

Successful at York on last year's reappearance and enhanced his good record fresh when runner-up to a course specialist over 1½m at Kempton in March. On a handy mark so he's one to note with yard going well.

11 3 EUPATOR (FR) (35) b 9663-621138 **4** 9-4 | 59.0kg Richard Hannon **Joe Leavy**

Off the mark at Wolverhampton (8.5f) in January, before improving further when following up at the same course (9.5f) only 3 days later. However, he hasn't been in the same form last 2 starts.

12 12 METALLO (IRE) (7) h 9736974-204 **5** 9-4 | 59.0kg John Butler**Luke Morris**

In first-time hood, proved as good as ever when a close second to Wyld Bill over C&D on seasonal/stable debut in February. Below-par effort at Wolverhampton next time, but soon back to form when fourth of 9 here (7f) a week ago.

13 11 CRISTO (27) (D) s 972113-9684 **4** 9-2 | 58.1kg Richard Hannon **Tyrese Cameron (5lb/2kg)**

Showed improved form when recording back-to-back wins at Chelmsford last spring. However, following an 8-month absence he's yet to fully fire in 4 outings this year, fourth of 6 at Wolverhampton last time.

14 14 HITCHED (IRE) (21) (CD) h 9772-251544 **6** 9-0 | 57.2kg David Simcock **Rob Hornby**

Hold-up performer who opened account for the year over 8.5f at Wolverhampton in January. Hasn't been seen to best effect in 3 subsequent outings, but should get this race run more to suit as he bids for back-to-back wins in this contest.

BETTING FORECAST:

5-1 Unterberg, **13-2** My Fermoy, **8-1** Wyld Bill, **9-1** San Andreas, **10-1** Dark Moon Rising, **11-1** Towerlands, **14-1** Great Bedwyn, **14-1** Londoner, **14-1** Metallo, **22-1** Cristo, **22-1** Eupator, **28-1** Hitched, **28-1** Night Breeze, **40-1** bar

TIMEFORM VIEW:

DARK MOON RISING has been shaping up well this year and, with a likely strong pace to aim at, he could be ready to take advantage of his current mark. Heading the list of dangers is My Fermoy as he makes only his third handicap start, with Great Bedwyn also considered.

RACE 5

GBI RACINGGoing: **Standard**

Lingfield's left-handed all-weather track is laid out inside the turf track and, measuring just less than a mile and a quarter round, is essentially sharp in nature. This, along with how the races often pan out ensures that stamina is rarely at a premium and strong-travelling types with a turn of foot are often favoured. Predominantly flat, there is a slight downhill turn in to the straight. At shorter trips, prominent racers tend to outperform those ridden more patiently, though there seems little advantage over further. Lingfield's surface is polytrack.

Draw: **N/A** Pace Information: **Strong**

1 4 DINGLE (IRE) (42) (CD) 94
5/51102-17 **8 9-9** | 61.2kg

Julie Camacho

Kieran Shoemark

Winner of this race 12 months ago who proved as good as ever when successful at Newcastle in January. He was seen to maximum effect on that occasion, though, and has struggled off this mark at Southwell subsequently.

2 8 ANGEL HUNTER (42) (D) 96
581710-08 **4 9-8** | 60.8kg

Richard Hannon

Sean Levey

Three-time winner struggled to get involved in first-time blinkers at Southwell on latest start and while useful on a going day, he's less reliable than stablemate Talis Evolvere.

3 6 TALIS EVOLVERE (IRE) (29) (D) 97
4205-1252 **6 9-8** | 60.8kg

Richard Hannon

Joe Leavy

Generally a solid proposition on the all-weather (winner of Championships mile in 2024) and having gone close in a similar grade at Newcastle last time, he should give another good account.

4 3 INVITED (42) (CD) 96
315781-53 **4 9-6** | 59.9kg

George Boughey

Pat Cosgrave

Winner 4 times last year, including twice here, and he bounced straight back to form when third of 12 at Southwell latest. That performance can be marked up and he is handily drawn for one with his style.

5 11 UNASSUMING (FR) (14) (D) 98
2253-4505 **6 9-6** | 59.9kg

George Boughey

Jack Callan (5lb/2kg)

Reliable sort is gradually coming back down the weights having won 3 times last year, returning to form despite a less-than-ideal position at Wolverhampton latest. Makes appeal with good-value claimer (aboard for 2 of her victories) returning.

6 9 SOUS LA NEIGE (FR) (31) (D) 100
047974-20 **6 9-4** | 59.0kg

G. Hennon, France

Marco Ghiani

Left with plenty to do when second in this race off 2 lb higher mark last year and showed his versatility when second under front-running ride at Deauville in January. Appeared to still be in good form when denied a clear run at Chantilly last time, and he has to be high on the shortlist.

7 12 EXQUISITE ACCLAIM (IRE) (14) (D) 96
1846-2104 **7 9-4** | 59.0kg

Adrian McGuinness, Ireland

Oisin James Orr

Fairly useful sort was better placed than most when fourth in 12-runner handicap at Wolverhampton latest, though is unlikely to find circumstances as favourable here.

8 2 SIR PAUL RAMSEY (7) (D) 95
134009-37 **4 9-4** | 59.0kg

Charlie Johnston

Andrew Mullen

Shaped better than the beaten distance (just under 4 lengths) in a race set up for the closers at Newcastle 7 days ago, but plenty of pace on again and faces no easy task off an unchanged mark.

9 1 I STILL HAVE FAITH (14) (D) 96
26220-826 **6 9-3** | 58.5kg

Stuart Williams

Gina Mangan

Posted a career-best effort when runner-up at Southwell on second start for new yard and while not quite in the same form at Wolverhampton last time, he could pick up some pieces if ridden with some restraint from stall 1.

10 10 THE DRAGON KING (IRE) (14) (BF) 97
056651-25 **4 9-3** | 58.5kg

Clive Cox

Rob Hornby

Invincible Army gelding has his own way of going about things, but he was clearly still in fine heart when finishing with running left at Wolverhampton (7f) last time, and shapes as though 1m could suit. Looks interesting.

11 5 BEN LAWERS (14) (D) 93
433924-15 **4 9-3** | 58.5kg

Mrs J. Harrington, Ireland

Keithen Kennedy (5lb/2kg)

Well-bred son of Siyouni did well to finish as close as he did when fifth of 11 on handicap debut at Dundalk last time (looked a hard ride) and will probably find this too competitive at this stage of his career.

12 7 BORGİ (IRE) (21) (CD) 95
53444-711 **7 9-3** | 58.5kg

S. P. C. Woods

Kieran O'Neill

Consistent sort has reaped the rewards of a switch to positive tactics, following up his C&D victory at Wolverhampton last time. Pace set-up looks less favourable here, however, and the hat-trick is likely to prove beyond him.

12 DECLARED RUNNERS

BETTING FORECAST:

11-2 The Dragon King, **7-1** Sous La Neige, **7-1** Talis Evolvere, **8-1** Borgi, **11-1** Unassuming, **14-1** I Still Have Faith, **14-1** Angel Hunter, **14-1** Invited, **14-1** Ben Lawers, **16-1** Exquisite Acclaim, **16-1** Dingle, **20-1** Sir Paul Ramsey

TIMEFORM VIEW:

UNASSUMING will need some luck in running from stall 11, but the forecast strong pace should help in that regard, and she's taken to enhance a fine record under her promising apprentice. Tactically-versatile Sous La Neige was probably unfortunate not to win this race 12 months ago and looks capable of going close if this plays out more favourably, with Talis Evolvere another to consider given his fine all-weather record.

Started 2026 with back-to-back wins over 5f at this course for current connections and under this apprentice. Below form both starts since though, including when looking unsuited by step up to 6f over C&D in February.

2 1 NUMERO VINGT (8) (CD) s **91**
5-116 3 9-9 | 61.2kg

Archie Watson

Luke Morris

Won maiden at Chelmsford and minor event over C&D in February but failed to keep that momentum going when stepping into handicap company for the first time at Southwell 8 days ago. First-time cheekpieces applied.

3 9 ALVIN (IRE) (21) **92**
56-418 3 9-9 | 61.2kg

George Scott

Darragh Keenan

Off the mark in a novice event at Wolverhampton over 5f in February but finished last of 8 when upped to 6f at Southwell on handicap debut last month. Had excuses that day, slowly into stride and badly hampered over 1f out and it remains early days with him.

4 3 LORD HARCOURT (21) (CD) t **100**
42611-257 3 9-9 | 61.2kg

Ed Walker

Kieran Shoemark

Gelded prior to registering back-to-back nursery wins over C&D in December. Shaped well on first 2 starts this year, including when left poorly placed when fifth at this venue in February. Disappointing last time but return to this track will suit and well drawn in stall 3. Player.

5 8 ALASRAE (17) (D) t **96**
2264-2112 3 9-7 | 60.3kg

George Boughey

Jack Callan (5lb/2kg)

Won maiden at Wolverhampton in January and handicap at Kempton in March. Chased home better-positioned rival back at Wolverhampton (5f) 17 days ago and return to 6f looks sure to suit with good-value claimer on for first time. Does need to cut out the slow starts, however.

6 5 KING OF CHAOS (IRE) (51) (C) **92**
365-4215 3 9-6 | 59.9kg

Dylan Cunha

David Probert

Headstrong sort who got off the mark in a 7f maiden at this track in February but then disappointed when last of 5 under a penalty at Southwell just 4 days later. A career best needed to figure here.

7 12 AKABUSI (17) (D) b+t **97**
4831522-9 3 9-5 | 59.4kg

Mike Murphy

Rob Hornby

Won twice before chasing home Lord Harcourt twice over C&D (beaten ½ length on second occasion) in December. Better for the run when down the field on debut for current yard and 4 lb better off with Lord Harcourt this time around for all his draw makes things tricky.

8 10 GREY HORIZON (21) (D) v **96**
11131625 3 9-5 | 59.4kg

Scott Dixon

Kieran O'Neill

Won 4 times in January and February and had a couple of these behind when second over C&D in February. Not so good when harried in front back at Southwell since, however, and will need to be better than he's ever been to dominate this field.

9 11 MIGHTY VEGA (IRE) (6lb/3kg ex) (7) (C, D) s+t **91**
165-45521 3 9-4 | 59.0kg

Scott Dixon

George Wood

Highlighted his current wellbeing when winning a 7f handicap at this track 7 days ago. Though that race could hardly have panned out any better for him and must defy a 6-lb penalty from a wide draw in a much stronger race here.

10 6 U S S CHARLESTON (21) **96**
67491-363 3 9-1 | 57.6kg

Lemos De Souza

T. Kiely-Marshall (5lb/2kg)

Off the mark in 5f Wolverhampton nursery in December and shaped better than the bare result when third at same track/trip last time, left poorly placed but keeping on well final 1f. One to be interested in.

11 4 SPACE BEAR (IRE) (9) **99**
1464-232 3 8-13 | 56.7kg

Michael Appleby

Harry Davies

A Wolverhampton maiden winner who has run well to finish placed on all 3 handicap starts this year, making a solid start for new connections when runner up over C&D 9 days ago. Should be thereabouts, particularly if settling better.

12 7 MISTER MOET (IRE) (6lb/3kg ex) (7) (CD) s **94**
2-2741821 3 8-8 | 54.4kg

Scott Dixon

Tyler Heard

A 3-time winner, who highlighted his effective at this track when scoring over C&D in February then again when staying on to win narrowly over 5f here 7 days ago. This represents a much tougher task, though. Carries 6-lb penalty.

TIMEFORM VIEW:

A dual C&D winner in December, LORD HARCOURT is taken to bounce back from a disappointing effort last time, though Space Bear, U S S Charleston and old rival Akabusi all rate obvious dangers.

Going through an excellent spell, back to winning ways in first-time cheekpieces at Southwell in February before a good second over C&D (5/4f) 5 weeks ago. Can make presence felt again for bang in-form yard.

2 4 SON OF MAN (IRE) (32) **99**
70342-335 **5** 9-10 | 61.7kg

Jim Boyle

Connor Planas

Winless in 22 starts but has returned in good form this year and was a creditable fifth of 9 at Kempton over this trip in a higher grade on latest start. Ran particularly well from 6 lb higher mark at this meeting last year and is one to consider.

3 15 ROBUSTO (IRE) (31) (CD) **97**
2595-2263 **6** 9-9 | 61.2kg

Eve Johnson Houghton

Jack Nicholls (3lb/1kg)

Returns to this C&D where twice successful and ran well when third of 8 in a handicap at Wolverhampton last month, making rapid headway under a change of tactics. First-time visor replaces blinkers but has tricky draw to contend with.

4 5 SEA FOUNDER (16) (C) **99**
1467-7714 **4** 9-7 | 60.3kg

Richard Hughes

Donagh Murphy (5lb/2kg)

Won at this track over 1¼m in February and looked better than the result when fourth of 13 in handicap at Kempton over 1m 16 days ago, having to weave his way through. Merits consideration in current heart but this longer trip poses unanswered questions.

5 10 MAO SHANG WONG (IRE) (5lb/2kg ex) (6) **100**
52-834711 **4** 9-7 | 60.3kg

David O'Meara

Conor Whiteley (7lb/3kg)

Progressing quickly now and has won last 2 starts, including when seeing off 14 rivals at Doncaster over 1¼m 6 days ago. Looks well in under a penalty and this step up to 1½m should hold no fears so he's one to seriously consider.

6 14 FRANCESI (IRE) (10) (C) **95**
12221573 **7** 9-6 | 59.9kg

Tony Carroll

Myra Coppins (7lb/3kg)

Had a busy and successful winter, winning 4 races including at Newcastle in February. Has also won at this track but faces significant step back up in trip from an unfavourable draw here so others look more persuasive.

7 11 BINT AL DAAR (14) **95**
2035-9215 **6** 9-5 | 59.4kg

Kevin Frost

Taylor Fisher

Ended long losing run against her own sex over 11f at Southwell last month and still looked in form when fifth of 12 over 9.5f at Wolverhampton 14 days ago. However, this demands more.

8 9 LOYAL TOUCH (IRE) (21) **94**
4/570-5446 **6** 9-5 | 59.4kg

Denis Hogan, Ireland

Keithen Kennedy

Last won for Charlie Johnston in 2024 but yet to fire for current connections. Cheekpieces back on and hard to fancy unless market speaks in his favour.

9 3 DAMASCUS STEEL (IRE) (34) (CD) **95**
74201-123 **6** 9-5 | 59.4kg

John Ryan

Jack Callan

Bagged back-to-back handicap wins around the turn of the year, including over C&D in January and has continued to run well since. Starts out for a new yard here but can be expected to give his running.

10 7 BYSTANDER (IRE) (31) (C) **96**
169/297-38 **6** 9-4 | 59.0kg

Stuart Williams

Jack Dace (3lb/1kg)

Patchy form since joining this yard but ran creditably when third of 11 on sole start at this trip at Southwell in February. This looks a deeper race but not impossible he could take a hand if getting his own way out in front.

11 6 LATIN (IRE) (5lb/2kg ex) (7) (C) **92**
11146491 **5** 9-3 | 58.5kg

James Owen

Christian Howarth

Enjoyed profitable winter, winning 5 times including at this course over 1¼m 7 days ago with first-time hood working well. Looks to have plenty more on his plate up in grade, however, while the increase in trip doesn't look in his favour, either. Engaged 8.18 Southwell Thursday.

12 16 TOMMY'S PROMISE (34) (C) **97**
63111-125 **5** 8-13 | 56.7kg

John Ryan

Tyrese Cameron (5lb/2kg)

Completed a 4-timer at this course over 1¼m in January, though didn't see his race out when fifth of 8 here last month which doesn't immediately suggest that this step up to 1½m will suit. Also has widest stall to contend with.

13 8 PARTY ISLAND (IRE) (34) (CD) **98**
580228-45 **9** 8-12 | 56.2kg

Denis Coakley

Owen Lewis (5lb/2kg)

Better on all-weather with 4 wins over C&D to his name. However, hasn't won since 2024 and doesn't always deliver in the finish so this may be too competitive.

14 13 IMPERIAL DECISION (16) (BF) **96**
6-3723 **4** 8-11 | 55.8kg

Keiran Burke

Toby Moore (7lb/3kg)

Placed both starts since switching to handicaps, including when second over C&D in February and is much less exposed than most of these. This represents a hike in grade, though, and it remains to be seen if he's up to this task on just sixth outing.

15 1 SONNERIE POWER (FR) (30) (CD) **97**
3/8607-157 **7** 8-10 | 55.3kg

David Killahena & Graeme McPherson

Warren Fentiman

Won well on stable debut in January after leaving Michael Appleby and looked up against it from wide draw when seventh of 12 at Kempton 30 days ago. Has a C&D win to his name and is well treated on old form, though he'll likely need plenty of luck from stall 1 given his usual tactics.

16 12 THE BAY WARRIOR (IRE) (55) (CD) **92**
216359-96 **8** 8-7 | 54.0kg

MAO SHANG WONG has won his last 2 starts, most recently at Doncaster 6 days ago with a sustained surge to the front that suggests he's up to defying a penalty in this contest. Son Of Man ran a cracker from a much higher mark at this meeting last year and can be in the mix for the placings with in-form Wonder.
