RANK

8 Moalva CG has good capacity and scored a couple of good wins earlier this winter. Qithout a mistake, she has a good chance to win this race. **14 Teknopuma** promised a lot as a three-year-old and has now been strong for a new trainer. Brave in the last run too. **5 Finnskog Zera** has good speed for a race like this and scored a couple of good victories. She can also open fast. **6 Eskils Stjerna** has not started for a while but is working well and gets Magnus Djuse in the sulky now.

1 Francesco Zet is ready for Elitloppet last this month and will improved his form here. Daniel Redén's horses are generally well prepared and this is certainly no exception. Towards the 18th straight victory here. **6 Hustle Rain** is good and won Sprintermästaren very easily this summer. He is working well and should finish second here. **3 Super Zantos** is still going strong. Will fight for the third place. **4 Xerava CD** was among the best of his year as a young horse and is trying to find some form.

9 Nikylon has a lot of speed and won in the V75 second last despite a big early mistake after 14.8/3000 meter. Last time he galloped again. Is a bit tricky but the best horse here. **12 Ajlexes Hans** put in his best effort last time when he won from outside the leader. Maybe first barefoot here, but this number is horrible. **7 Udine Celeber** put in a wide 13-lap in the last comeback after a short break and is good enough to be in the mix. **13 Yavapai Point** is strong but not reliable.
