4 Lilla Greta showed good pace last year. From a perfect lane she has a good chance to reach the front and over the short final stretch at Åmål the lead is worth a lot. **3 My Shoe** shows good speed but is a bit tricky and will probably need to get a trip from behind or first over. With the right trip she will be in the mix. **2 Steady Breeze** started with two wins. Nice lane now and Jepson. Early choice. **8 Janica Zet** has been matched in tough opponents and should be considered here despite this lane.

5 Rip Wheeler has looked improved in this year's starts and is in good shape despite a second place last time. Perfect lane and the favorite for the lead and from that position he is normally hard to beat. **8 Leaps And Bounds** did well in the seasonal debut after a tough trip. With that run under her belt she is dangerous, despite this lane. **3 Garpen S.I.R.** faces good conditions and will fight for the lead. Should be followed. **4 World Of Love** could be in the mix as well.

Better conditions now and has good speed if she lives up to her capacity. **9 Finnskog Lizzie** will meet slightly easier opposition this time. **10 Hvalstad Hilde** owns good capacity.

Can also win this from the outside. **4 Uncover Tile** made a good comeback. From a perfect lane he goes for the lead, where he prefers to run, especially at Åmål. **5 Stepping Gogo Girl** and **1 Tutankhaton** are two clear outsiders.

2 Remlov has the right attitude. The last gallop was his first ever. The gelding is a very fast starter behind the gate and will be extremely tough to pass from an expected lead. **3 Horg Blessen** finished brilliantly in the last race. The horse is not easy but is doing well now and will be in the fight for victory again if he avoids a mistake. **1 Vinner Lilja** is hoping for an optimal defensive trip here. **10 Harkar** likes to race in Sweden and could be at least a place bet here.
