RACE 1 — V4-1 — Auto 2140

1 Raven is really good for this class. Had to qualify at the beginning of June after a couple of gallops but did well in the last race and won comfortably from the front. Good chance. **2 Younameit** won a V75 race at the beginning of October and took also two wins in December and January. Not at his best lately and has had a layoff. **6 Summit By Proxy** finished quickly to a second spot behind Raven in the last race and is looking for revenge here. Mika Forss is driving now. **5 Bedas Love** has raced in Finland recently. Comes from a second place and is driven this time by John Östman. Outsider.

RACE 2 — V4-2 — Auto 2140

5 Backwoods Ferguson galloped as a big favorite in the debut but took revenge in the last race and won easily from the lead. He faces mediocre opposition here and has a very good chance to win. **2 Shiloh** comes from Finland with two consecutive second places. Good lane and contender behind the favorite. **7 Mellby Medusa** was third after a layoff in the last race and is probably better with that run under his belt. **9 Can't Touch This** has won two races in a row. Quite tricky number here but should be considered early on .

RACE 3 — *V4-3* — Auto **2140** — RANK

12 Second Breakfast is our pick in this tricky race. Scored a good win in April and has competed in the V75 since then. Much easier now. **11 Lake's Fire** has done really well at the end and won from the lead. Different position now and this driver is a minus too. Should still be considered early. **6 Mellby Morpheus** did not convince in his debut for Roger Nilsson last time but has a run under his belt now. Gets an offensive journey here? **9 True Exception** is quite consistent and with the right trip Sandra Eriksson will fight for victory in this open race.

6 Ben Hogan competed quite successfully for Hans Crebas in the southern part of Sweden and is interesting here in his debut in the northern part. Can open fast and we think Ove A Lindqvist is offensive from the start. **4 Bidensky** is quite good for this class and has a nice position. Never had a real chance in the V75 last time but easier now. **12 Kiwi Sisu** beat Bidensky in the last V75 race and was good two starts back. Should be considered early despite a difficult lane. **10 Tactical Lady U.S.** won together with Mika Forss two starts back and comes from a V75 race too. Tough conditions money-wise but possible anyway.
