Volt 2120

1 Mahala is a sister to Epimetheus who has earned more than one million SEK. Nice number in this debut and should be able to beat these opponents. 11 Phi Nong was heavily pressed in the lead in the last run and did alright. Could fight for a place here too. 7 Take the Lane pressed on Phi Nong in the last run. Is driven by Sjöström this time and that is an advantage. 8 Nygårds Prins was second in the last race and better than ever. Place chance if he handles this number five.

3 Jikken was a slow starter behind the gate in the last run but scored a nice victory finishing 10.5/800. Will certainly reach a nice position again. Hard to beat in that case. 7 Frazze made it to the long E3-final but was did not trot well that day. If he is at good as in the heat on June 16 he has to be considered. 6 Platinum was interfered in the final turn in the last run but finished fast to third. Good place chance. 4 Super Zola is better than she has shown in the last two starts. Outsider.

1 Beware Kronos showed two starts back that he is fast enough to find the lead with this number one. Gave away the lead and got locked in with energy left. Our pick in this tricky short-distance race. 6 Baroncini Jet galloped directly in the last run. Has quite good capacity for this class and should be considered early. 12 Illfindmywayhome would have been our pick with a better draw. Needs lots of racing luck though with this number. 2 Kainai Goj gave up in the lead in the last run. Scored two nice wins in a row before that and is well drawn.

1 Makian Degato scored a good win in the debut last year. Failed in the only race this year but resumes from a spell now and is certainly well prepared. Our pick in this open race. 13 Babsans Bankir was heavily backed in the last V75-race but galloped at the end. Could take revenge here. 4 Solkattens Lucas got locked in with energy left two starts back and is quite good for this class. In the mix if he handles this number. 12 Bugatti Veyron is consistent and good. Comes from a nice victory.

2 Enfin Pastis won in the lead in the last run. The Preben Sövik stable has shown great shape lately. Nice number over the short distance. Our pick. 5 Uncle Silvio makes his debut for a new trainer. The horse has been at least third in six out of seven starts so far. Early choice directly after a layoff. 11 Global C.Lucky has a couple of runs under his belt. With the right journey from the back he is good enough to win this. 9 Ed Sheeran is not bad and could get a nice defensive trip here.

14 Icon Mearas has won nine out of 18 races. Is tough and should have a good chance in this four-year-old race despite this 40 meter handicap. 13 Lorenzo Boko has been racing under the saddle lately. The horse is fast and will defeat many opponents here with the right trip from the back. 5 Attention Please is interesting in this first circle. Tricky number five but has scored a couple of nice victories lately. 3 Mythical Rokk finished well to second in the last run. Seems on the way up.

11 Global Classified resumed from a long pause in the last run and scored a good second spot. Has one run under his belt now and could be ready for victory. 8 Robthebank has had lots of tricky numbers lately, also in the V75. Poor number again here but good enough to win this with the right trip. 12 Tyrion has been a non-starter twice lately. Won from outside the leader on May 11. Has to be followed. 7 Greenhill's Rocco comes from two comfortable wins on Visby. Should be considered early again.

5 Roll Control found an early lead in the last V75-race and was brave. Nice number again and faces easier opponents now. Our pick. 1 Red Rum is fast enough to win this but this number one behind the gate could be tricky. Early choice but needs some racing luck. 6 Staro Pomerol dictated the pace in the lead in the last run and won comfortably. Faces tougher opponents now but possible again here. 7 All in Face has galloped a lot lately. Is fast enough to be in the mix here.

1 Jumanji Love convinced in the seasonal debut two starts back. Has one more run under his belt now and this number is interesting for a strong horse. He could lead this throughout. 10 Dollar Doc was not empty when he galloped with 400 meter to go in the last run. When he is at his best he is good enough to fight for victory. 11 Carry Cash has put in two good efforts for the new trainer. Galloped in the last ridden race and was good in the debut for Djuse before that. 8 Vici Volantes is better than the latest results show. Outsider.

4 Lucifer Lane is our pick in this Gotlandslöpningen. He has put in a couple of good performances on 800 meter-tracks lately and is well drawn here. 8 Missile Hill is poorly drawn here. Got locked in with plenty of energy left in the last race on Hagmyren. 7 Makethemark is on the way up again and he looked really nice in the last race in Finland. Needs some racing luck with this number seven and will fight for victory in that case. 5 Global Welcome is worth a warning. Has been matched against tough opponents and looked nice lately.
