- 1. LA ROSELIERE** - Returned from a lengthy layoff to win at Erbay on her reappearance and could have more to offer with improved fitness on her side. Follow
- 2. RAINBOW WARRIOR** - Inconsistent though not incapable of staking a claim in a race of this nature. Booking of Théo Bachelot is encouraging
- 3. PUTUMAYO** - Rejuvenated veteran enjoying an incredible run of form, winning his last two starts. Capable of having a say again
- 4. OLYMPIC DREAM** - Showed signs of improvement last time (5th) but that was in a claiming race. Required to do more back in a handicap
- 5. AUENWOLF** - Won consecutive outings prior to his last two starts, which have been less effective. Needs to do more at this value to get involved
- 6. MODERN VALUE** - Belatedly opened her account last time (16th start) after finishing 2nd in 10 previous outings. Raised 2,5kg but remains competitive
- 7. SITUMELEDEMANDAIS** - Finished a reassuring 4th in the reference race last time and ought to make his presence felt if confirming that improvement
- 8. SAKURACHAN** - Made a winning start to the year on her reappearance in May and held her own in both starts since. Upset potential
- 9. LETTYT FIGHT** - Unreliable sort but quite capable of getting into the picture in a race of this nature. Has only a place chance
- 10. CHELSEA DU NINIAN** - A regular performer at this level with solid form references and another consistent showing can be expected. Respect

THURSDAY, 03/08/23

Summary : LA ROSELIERE (1) made light of a seven-month absence and her opposition when making a winning comeback at Erbray last month and on that evidence seems capable of fighting for victory back in a handicap. Rewarded for her consistency last time after several near misses, MODERN VALUE (6) ought to remain competitive and is likely to pose a threat despite a 2,5kg penalty. AHA (11) and SAAM (14), after finishing 2nd and 3rd respectively in the reference race, are capable of playing leading roles too. RAINBOW WARRIOR (2), SITUMELEDEMANDAIS (7) and rejuvenated veteran PUTUMAYO (3) are not without chances either.

C2 - PRIX DE L'EURE - 1400m (a7f) - ALL WEATHER - Condition Race - Class 2 - Flat - EUR € 28.000

1. **MAJOR OAK** - Debut winner on PSF in October but without a win in seven subsequent outings, though has maintained a good level of form and consistency. Outsider
2. **SOCIETY MAN** - Finished 2nd and ahead of re-opposing MAKE ME KING (3) last time, so has solid claims here on that form. Keep safe
3. **MAKE ME KING** - Showed promise last year and, while not disgraced on his comeback (3rd), was expected to do better. Should have more to offer
4. **SOUS LA NEIGE** - Unexposed colt who revealed serious means last year. Absent since winning on PSF back in December but dangerous to dismiss
5. **LIWA OASIS** - Improving last-start winner who would've gained confidence from that maiden victory and is open to further progress. Respect
6. **SUNDAY FUDGE** - Has looked rather limited to this point so her chances here are easily overlooked even at this level. Ignore
7. **WHISPERING DREAM** - Beat a decent field at Kempton before relocating and made a winning reappearance on turf in her first start on French soil. Follow
8. **AXDALIVA** - Sparked some improvement to finish 2nd last time and could get a look in if confirming that form. Dark horse
9. **MONTJICA** - Has improved with each outing this year and confirmed as much by winning recently. Could have a role to play here too

Summary : WHISPERING DREAM (7) made an encouraging start to her career in England and went some way to confirming that promise by making a winning reappearance in her first start on French soil at Saint-Malo last time, and is more than capable of continuing progression with another victory here. MAKE ME KING (3) is likely to improve after a pleasing comeback outing (3rd), so appears the chief threat. SOCIETY MAN (2) caught the eye last time when finishing 2nd at Saint-Cloud and is also capable of staking a claim. LIWA OASIS (5) is another to consider.

C3 - PRIX DE BARNEVILLE - 2500m (a1 9/16m) - TURF - Divised Handicap - Class 2 - Flat - EUR € 53.000

1. **MONSIEUR XOO** - A regular last winter and dual winner of Quinté+ events. Made a quiet return last month after a four-month absence and ought to improve but soft ground is likely to scupper his chances
2. **SIR GEORGE** - Has bounced back to form recently over 2800m and is unlikely to be inconvenienced by this shorter distance. Has a role to play
3. **SALOCIN** - In full possession of means and quickly making up for lost time, winning 5 of his last 6 starts including one at this level. Up another 3kg and soft ground will not be to his liking either
4. **MYKISS** - Has been unable to shine in handicaps off a mark greater than 36.5 so unlikely to have a say here given his current rating (39.5). That said, the ground will be to his liking
5. **WOOT CITY** - Last-start winner of a similar contest back in May, having joined Fabrice Chappet ahead of the spring. Has regained freshness and is likely to remain competitive despite a 4kg penalty
6. **STALLONE** - Was declared a non-runner twice in June but has, interestingly, been supplemented to take part in this Quinté+ and very soft ground will serve his interests. Beware
7. **SRIFANELOGREEN** - Well-related sort with solid form references, including a win and four places in seven outings in Quinté+ races. Will be a factor with soft ground to suit
8. **WOODSTONE** - Disappointed at Saint-Cloud last time when a well-beaten favourite but shouldn't be written off just yet. Remains capable of better eased 1kg
9. **NO MORE BOLERO** - Confirmed the improvement of his previous start (victory) by winning a recent claiming race. Starts in the handicaps with some interesting references, so is likely to tempt thrill seekers
10. **AFTER THE RAIN** - Godolphin filly who was an unlucky 9th in a similar event last time and remains capable of a lot better. Soft ground and this longer trip will serve her interests
11. **LORNE** - Made a winning comeback after six months out and seems capable of acquitting herself well at this level off her current mark. Keep safe
12. **SANTURIN** - Has returned to his best recently, judged on the evidence of his last two starts at this level. Confirmed at this value but would probably prefer a firmer track
13. **DARY CI** - Tried her luck in two similar events for females and is now pitched against male opposition too with her task made complicated by a wide No 15 gate. Outsider
14. **BADEN ROCKS** - Was returning from a seven-month absence last time and ran a better race than his finishing position (7th) suggests. Ought to do better with improved fitness on his side
15. **GLACIER PEAK** - Absent since February and has recently joined Marian-Falk Weissmeier's stable. Has some references on soft ground but is probably most effective on the fibresand. Watch for now
16. **LA TEMPLIERE** - Rewarded for her consistency with a last-start success at Compiègne, but would've probably preferred a longer distance though a soft track will be to her liking. Dark horse

THURSDAY, 03/08/23

Summary : After an encouraging start to his career over in England, AFTER THE RAIN (10) made a winning introduction on French soil back in March but has been somewhat disappointing since. She was, however, unlucky not to have finished closer last time in a similar event at ParisLongchamp and remains quite capable of finding her way at this level, so is given the nod in a typically competitive Quinte+ contest. SRIFANELOGREEN (7), who will benefit from the very soft ground, heads the challengers ahead of WOOT CITY (5), effective racing fresh after a break, and LORNE (11) who won imperiously on his reappearance. SIR GEORGE (2) is in good form and ought to make his presence felt too. WOODSTONE (8), whose recent failure is best ignored, and SANTURIN (12) are capable of getting into the picture too. LA TEMPLIERE (16) completes the shortlist under a 2,5kg penalty for a recent win.

1. **GUITRY** - Maintaining a solid level of form and consistency, so should take an active part at the finish. Big runner
2. **NEVADO** - Unreliable but is not incapable of getting into the picture in a race of nature from gate No 1. Dangerous to dismiss
3. **ZELZEFYR** - Finished a reassuring 3rd in his last start and is likely to play a leading role here if confirming that improvement
4. **BLACK HILLS** - Has been struggling for some time now and is unlikely to trouble the judge here, so is best to overlook
5. **OASIS BAY** - Undeniably capable but not the most reliable. Was a disappointing 8th last time so will need to reaffirm
6. **ALCOTAN** - At the top of his game at present and on current form is likely to give this another good go. High on the shortlist
7. **HIGHLAND ARCHER** - Finished a pleasing 5th on handicap debut last time and with any improvement should fight for victory
8. **ONE TIME BED** - Nothing noteworthy to her name for a considerable period now and can be ruled out. Others preferred
9. **APODICTIQUE** - Unreliable but is seldom far off the mark on a going day. Hard to trust but is not easily ruled out either
10. **SWAG GIRL** - Inconsistent and out of sorts lately, and those struggles look set to continue here. Not likely to trouble the judge
11. **TROPEIRA** - Lightly raced filly with scope to improve, so could get into the picture from a favourable No 4 gate. Beware
12. **VULCANIO** - Returned to form last time with a reassuring 2nd and is likely to be prominent in the finish if confirming that improvement here
13. **TISSEUSE DE REVES** - Reassured by winning last time and will be competitive if confirming that improvement. The booking of Mickaël Barzalona bodes well
14. **MISTER GOKEN** - Has shown signs of improvement recently and could have more to offer on her debut in this category. Keep safe
15. **QWENKALY** - Must not be condemned for a recent failure and, with Maxime Guyon aboard, seems capable of making amends. Worth another chance

Summary : QWENKALY (15) is hard to catch right but showed when finishing 2nd in a similar contest two starts back that a race of this nature is well within her capabilities so, with Maxime Guyon back aboard, could well set the record straight. Consistent GUITRY (1) has proven competitive at this level on many occasions and is likely to lead the challenge, ahead of VULCANIO (12) and HIGHLAND ARCHER (7) who are also capable of fighting for victory. On the strength and consistency of his recent form, ALCOTAN (6) ought to remain competitive. ZELZEFYR (3) and TISSEUSE DE REVES (13) complete the shortlist.

1. TRES QUEEN - Improving last-start winner with solid form references. Judged on her best form, she ought to pose a threat

2. ERMELIE - Unbeaten in two starts this year and on an upward trajectory but takes a significant jump up to this category. Place chance

3. ONARIA - Consistent for the most part and has shown enough to warrant consideration here. Has only a place chance

4. INES - Well-beaten 9th in a Listed race on her reappearance but would've tightened up since and is likely to find this a lot easier

5. PRINCESS ZIZOU - Lightly raced filly with scope for plenty improvement. Returns from an absence but will have more to offer

6. RUE DE VOLGA - Has run to fair level of form but will need to raise her game to be competitive here. Has only a place chance

7. CAP SAN ROMAN - Capable filly with fair references. She has two comeback outings under her belt now, so may get into the picture

Summary : INES (4) finished 9th in a Listed race on her reappearance but should redeem herself here given this significant drop in class. She will, however, have to be wary of TRES QUEEN (1) who returned to winning ways recently at Aix-Les-Bains, and ERMELIE (2) who is enjoying a very good run of form. CAP SAN ROMAN (7) ran with meir in a Quinté+ and is also capable of getting into the picture.

2. **HISBANN** - Has been in good form recently and will benefit from his rider's 1,5kg allowance, so ought to be competitive
3. **LAND OF PARADISE** - Unreliable sort but is not incapable of staking a claim in a race of this nature. Could get into the action

7. **DE QUEVEDO** - Unreliable but seldom finishes far off the mark on a going day. Hard to trust but is as hard to rule out
8. **KOULIKOFF** - Arrives in very good order and on the strength of his recent form is one of the contenders for victory
9. **SIR ALFRED** - Unplaced in both outings this year and is hard to recommend on that form. Improvement is needed to feature here
10. **UCHRONIE** - At this value (25), she is more than capable of creating a stir in her first start in a handicap. Keep safe
11. **CALA MOLI** - Debuted well in the category and renews rivalry with KOULIKOFF (8) on 2,5kg better terms. Big player
12. **ETNA** - Has been struggling for form and consistency for some time now so is unlikely to trouble the judge
13. **KENDOHA** - Has looked distinctly ordinary for some time now, so his chances are limited even at this level. Ignore
14. **DREAM CYCLE** - Out of sorts but has dropped significantly in the weights, so could spark some improvement sooner rather than later. Beware

Summary : KOULIKOFF (8) was a pleasing winner of her most recent outings and is capable of defying a 2,5kg penalty for that success by following up here. To do that, though, she will have to thwart the likely challenge of CALA MOLI (11), who made an encouraging handicap debut, and UCHRONIE (10) whose performances in claiming races have not gone unnoticed. GALLIARA (1), with her rider's 1,5kg allowance, has ambitions at this level too, with the shortlist completed by all of HISBANN (2), DREAM CYCLE (14) and SENDMEASTAR (5).

8. WITHERING - Has looked distinctly ordinary for some time now, so his chances are limited even at this level. Ignore

Summary : A tricky event in which it could pay to put trust in INTEGRANT (7) who has already imposed himself over track and trip, and can take revenge on ELIYASS (3) with whom he renews rivalry on better weight terms. Between the pair, though, we could find PARCHEMIN (6) who is adept on PSF and likely to be competitive. Of the rest, DAWN INTELLO (1) could have a role to play having already distinguished himself at a higher level.
