3 Perfect Harmony is well bred. Has shown good capacity since the debut. Can open very fast and will take the lead here. Comes from two straight wins in the front. Top chance. 4 Cedric di Poggio is gifted but does not always trot well. Has scored a couple of good wins lately. Is strong and will get an offensive journey. 10 Adthemission does not win very often but uses to put in strong performances. Got locked in with energy left in the last run. 11 Pennywise is a horse whom Oskar J Andersson likes a lot. Came back well after a mistake in the last run. Place chance with this number.

4 Wilma Weeny comes from two nice wins in a row. Showed good speed in the last run after a quick final lap. Our pick in this mediocre field. 5 Maximilian Grey comes from a strong win from outside the leader. Had not raced for a while before that and should be at least as good now. 1 Djingis Khan met tough opponents in the last run and never had a chance. Set a new record though and will get a nice journey here. 3 Shellback showed quite good speed last season. Has one run under his belt after a long pause. Can open fast.

4 King of Greenwood was not at his best in the last run but really good in the starts before. He can open fast and might be allowed to take over the lead. 2 Bandido Gar is interesting here. Has not started for a while but is very good for this class. Early choice if well prepared. 3 FromHeaven Idzarda should get a nice journey with gifted Carl Johan Jepson. Is better than shown lately. Perfect conditions money-wise. 9 Icon Mearas came back well after a mistake in the last run. Has good skills and should not be overlooked with the right trip.

1 Simb Trishia is consistent and good. Kept up the pace well to finish fourth in the last run. Can open fast and should get a nice journey. Is certainly in very good shape now. 5 La Coquette Zon has been consistent and good lately and finished well. If she handles this number she should be considered. 7 Zelma de Castella has been a non-starter due to a throat infection before this race. She is gifted though and should be considered early. 12 Profinitif has good skills. Has only started once this year and got locked in with energy left then.
