2 Undinia has earned considerably less money than most horses in this field, but the horse has also raced mostly in Germany. Very nice second spot behind a winning machine in the last debut for Daniel Redén. Run under her belt now. Should be considered early. **6 Lovebird Journey** was unrecognizable in the comeback, although the horse got a tough trip three wide during the final lap. Early contender if improved. **4 Ready To Run H.C.** is a fast starter and really good every now and then. **5 Arctic Estelle** is possible too but needs some racing luck.
