4 Semper Fi led throughout in the last race to score a convincing victory in Breeders' Trophy Juvenile. Put in a strong effort in the race before too over these conditions and was second to Hear The Drums in the Scandinavian Championships. Banker. 6 I Rest My Case was clearly defeated by Semper Fi in the debut but won the Norwegian Championships for Two-year-old horses in the race after. In the mix. 8 Queen of Antarktis was improved in the last race behind I Rest My Case. Possible if even better now. 7 Gold Rush is developing well and this longer distance should be an advantage. Outsider.

3 My Jamil won Danish 2000 Guineas earlier this year and also Danish Auction race as a two-year-old over 1400 meter. Faces nice conditions here in this open Breeders Prize Sprint. Our pick. 1 **Masseto** won Larch Aerespremie during the Danish Derby day but has also won over the shorter distance. Early choice here with this nice number. 2 **My Vision** has been matched against tougher opponents this season and won against quite good horses in Swedish 1000 Guineas. Contender. 12 **Thunder Mack** won Swedish 2000 Guineas but this distance could be perfect. Should be considered.

3 **Could Be King** could never catch General de Vega in the last race on Bro Park. Finished very strong from far back though and the import should have a good chance to take revenge directly on the Övrevoll turf track. 9 **General de Vega** likes Bro Park a lot and has won both Vårsprinten and in the last race Bro Park Sprint Championship. Has also been successful on his home track over today's circumstances and should be considered again. 1 **Abolish** comes from a nice third spot on Bro Park. Is ridden by Oliver Wilson now and that is an advantage. Possible challenger. 8 **Mountain** knows this track but prefers dirt. Place chance.

3 Kick On scored a strong second spot a bit behind impossible Square De Luynes in the last Marit Sveaas race. Easier opponents now and top chance to scored his second win in a row in this Arnfinn Lunds Minneslöpning. Banker. 5 Valence will reach the front directly here and try to defend that position until the end. Good place chance. 6 Swedish Dream is a good miles for this class but the form is a question mark. Was third in this race last year and chases a similar result today. 8 Wishformore won Oslo Cup earlier this season and did alright in the last race behind Valence. Place chance.

4 Thunderey was second and just closely defeated in the seasonal debut by Captain Chorus who was fourth in the Derby. Was undefeated as a two-year-old and should have a good chance in this handicap debut. 9 Kildare has been consistent and good lately and seems to be the pick of the Petersen stable. Early contender. 10 Sir Leo has been matched over the short distance this year against quite tough opponents. This longer distance is no problem and he faces nice conditions here. Contender. 6 Nokengang faces better weight conditions now and is a possible outsider.

1 Iron Butterfly could not reach Good Fortune in the last Breeders' Trophy Classic. was second at the end though and scored of course a very strong victory in the Danish Derby. This distance is an advantage. Our pick. 8 Good Fortune has convinced a lot and won both Jockeyklubbens Grand Prix and Breeders' Trophy Classic. Possible again here if the gelding handles the Övrevoll turf track. 10 HollywoodBoulevard has done alright lately behind Good Fortune. Possible if improved. 4 Voix d'Amie did alright in the last race despite a poor number. Should not be discounted.
