12 King Only The One has not really convince in the V75 in three races during August. Most recently he appeared in a regular race again and won quite easily. Nice task here. **4 Landmark River** has made three starts for the new trainer and owns good speed. Possibly first Norwegian bridle now and might go for the front. **5 Jaxon Schermer** won a pretty easy race two starts back and put in very fast finish. Gets a defensive trip here. **3 Billie Parker** made it to the Stochampionatet. Good enough to be in the mix.

10 Let Me In is working really well again after a layoff and this time he will not face Jikken, Bicc's Tobee or Immortal Doc whom he has met in the last three starts. Good chance. **3 Djingis Khan** won the V75 last spring. He has now made two starts as a gelding which the trainer thinks has made some difference and he can be driven to the front here. **6 Victory H.H.** might not be as good as our top duo but the reports for the debut for this trainer are brilliant. **1 Knut Rapid** makes an exciting debut for this trainer too.

7 Ontario scored a couple of wins this spring and trainer Törnqvist has been very pleased with her. She met stallions in a Derby heat two starts back and she sprinted fast against good opposition in the last race. Good chance to lead this throughout. **5 Old Maid Boko** scored a couple of good wins in easier companies but has not been as nice since and she has been a scratch after the last race. **6 Global Fizz** was interfered last Saturday but is back on track. **8 Malkia** is tough and strong and has been matched against good opponents.
