3 Who's In Charge was strong from outside the leader and got just closely defeated. Could find an early lead now, and will be hard to beat in that case. **5 Jolene Zet** has started quite well. She put in a nice effort behind our pick in the last race and Redén's horses are in great shape now. **10 Randon** has shown quite good speed and is well bred. A couple of exciting changes this time. **6 J.H.Oliver** had a broken wheel in the last race and was excused. Should be considered early on.

7 Fair Trade resumed from a layoff in the last race and scored a good win. First time without shoes and with a Norwegian bridle and normally he has top chance. **6 Lynam** is a half-sister to Joviality and he is gifted but his form is a question mark. Early contender anyway. **3 Viewing Window** was very strong when he won from the lead in the last race. Could be hard to reach that position here. **2 Farao Eagra** prefers to run in the lead and is finally well draw. Closed bridle now.

8 Aberama Gold is a really nice 4-year-old who is coming back after a break. Redén's horses are showing great form at the moment. This is the right distance. Good chance. **11 Northman Maxus** scored a superb win and in the last race he showed a good time. First Norwegian bridle now. **9 Turmfalke** is matched in the V75 and has a run under his belt now. **7 Dimension Trot** has done alright but faces tough conditions here.
