## RANK

**5 Gejst** is our pick in this open race. Was second from the pocket last time and opened quite well. Now driven by Magnus Teien Gundersen and is our close favorite for the lead. **1 Vicar** is perhaps the best horse. The eleven-year-old may not be as good as before but he is an early choice from here. Kristian Lindberg will drive this time. **6 Pontiac** had a very good season last year. Has been quite consistent and good towards the end and is coming off a win in an easy race. **10 Commodoro Play** could cause an upset. Galloped towards victory three races ago, was brave two starts back and not empty last time. Watch out.

**5 Sjöli Dotten** won together with today's driver Jepson in September. Got an inside trip last time and had energy left over the finish. Is probably driven more offensively now. Will be allowed to take over the lead? **10 Hornnes Odd** is an early challenger. Has started racing this year and done well with four wins and five second places. Is strong and has an interesting lane. **8 Odelsgut'n** has won seven out of 21 races. Has now made two starts for Jan Roar Mjølnerud and should be on the way up. **4 Kvick Revy R.F.** has put in good finishes towards the end and seems in fine form. Has just one win and this number is tricky but he could surprise.

**1 Support Young** gets the tip in this nice race. He won easily from the lead in the last race but the question is where he will end up from here. Early choice with the right trip. **8 Millstout** makes his debut in Sweden. Coming from a win with today's driver but clearly needs a bit of luck from this difficult lane. **10 Kalule Simoni** comes from a gallop in the final of the Norwegian Derby. Much easier this time and has to be considered. **9 Åse Tim** was very brave in the last race when he was able to win despite a very tough journey. Trainer Viktoria Berntsson will drive again.

**10 Facethewine** is our pick despite this lane over the short distance. Wins often and was successful in his only race in Sweden at Färjestad in September. **2 Hydra** won from the lead in a V75 race on today's track this summer. Second from the front in the last race and should be considered early if she finds that position again. **5 Mister Kabuki** is probably one of the better horses in this race but his form is a bit of a question mark. He has faced much better opposition than this. **11 Chocoshotsun** is in top form and worth a warning. Had energy left from the pocket in the last race and hopes for quick pace.
