RACE 1 — V4-1 — Auto 2140

11 Evenepoel has shown great form for his new trainer and has taken two wins in a row in fine style. Despite this number, the four-year-old should once again have top chance. **4 Fulmine Degli Dei** has got two runs under the belt after a break and is starting to get closer to top form. Is the main challenger to our pick. **8 Star Brigadoon** is a quick starter and the favorite for the lead despite this poor number. In that position he is undefeated after five attempts. **5 Lover Boy** is consistent and good. Gets a defensive trip and should not be overlooked.

RACE 2 — V4-2 — Volt 1640

6 K.A.Picasso did not trot well in the final turn in the last race and had some energy left. Could take the lead and score the first win of his career from there. **2 Mission Completed** can open quite fast and should reach a nice position. The mare is good for this class and should have good opportunities. **7 Shurda L.E.** has galloped in the last two starts. Djuse for the first time is interesting. **8 Panne De Mi B.T.B.** uses to put in good efforts. Could surprise with the right journey.

RACE 3 — V4-3 — Auto 2140

5 Pearl Di Quattro finished strongly in the last race. The mare has made many good races throughout the autumn and deserves a victory. **6 Geisha Road Grif** won easily from the lead in the last race and if she reaches that position again - which is the main scenario - she could score a new victory. **2 Pralines** looked nice over the finish line last time. Much better number this time and has to be considered with the right journey. **8 Universe Tile** is matched in tough companies and good enough to be in the fight for victory.

RACE 4 — V4-4 — Auto 2140

6 Gaudi Laksmy gave up in the last race after a trip from outside the leader. Runs without shoes now and if he is as good as he was when he won he is definitely the horse to beat. **7 Pineapple** was really nice when he won from the lead in the last race. The six-year-old is just as good from behind. Contender. **3 Finn Palema** was improved a lot in the last race. Nice starting position now and has to be considered. **9 Apollo Prophet Cal** is really good every now and then and with the right trip from behind until the home stretch, he has to be considered.
