8 Envies Goldneck did well in the debut and has one run under his belt now. Faces easier opponents this time but this number is tricky. 4 Vandamme was defeated in the lead in the debut but galloped shortly before the finish. Is gifted and is more experienced now. Challenger. 7 Valencia looks nice and has been working well. Has recharged the batteries and is an early choice without a mistake. She can do better than we have seen so far. 1 Mr Storm was second in the last run and improved. Nice number here and should be followed.

She has scored three strong wins this season. 2 Melinda is back in good shape again. Has become more reliable and been successful. Ridden race. 7 G.K.Talisman has been improved and won in the lead on Solvalla without being empty. Seems strong and will be interesting to see under the saddle. 3 G.K.Xit has very good capacity but is not reliable. Put in a good effort in the last race under the saddle. Nice task here and prefers to run in the front. 6 David Frontline is in great shape and likes this time of the year when the pace is not that quick. Can do it tough. 5 Atheist beat easy opponents in the last run but is in good form. Possible again.

6 Bjorn competed well last winter and we remember a victory from outside the leader on Solvalla after a strong effort. Comeback here but good chance against these opponents. 8 Hercules Godiva has met good three-year-old opponents this season. Has been a non-starter due to fever after the last run and this number is tricky. 4 Diego has not won yet for the new trainer in the northern part of Sweden. Comes from a strong second spot though. Quick starter and could find the lead. 3 Zorina C. has met easy opponents but shown good speed. Possible behind our top trio.
