7 I Am Yankee put in a strong effort over this 1600 dt in the seasonal debut two starts back. Was second and just closely defeated by Farhh Out then. Our pick. 5 **Forty Love** was suddenly improved in the last run and came in second just closely beaten by Daybreaker. Nice conditions again and early challenger. 9 **Pearl Lounge** comes from the first win ever over this 1600 dt. Possible despite this number. 1 **Fort Dodge** is developing well and an early challenger if the three-year-old stands this longer distance.

3 **Green Exceed** was beaten by Indian Rags in the last race heavily backed. Put in a good effort and will be the favorite in this two-year-old race. 6 **Art Defender** has been successful over this distance so far on the Jägersro dirt. Possible challenger but has to travel far and this track is new. 5 **Frankie's Girl** won very comfortably over these conditions in the last race. Should not be overlooked despite tougher conditions. 1 **Makenzie** scored a strong win in September but this surface is new. Could cause an upset here.

14 Cousteau is in good shape and this task looks very nice. Our pick in this wide open Sunday Special. 1 Odd Type showed quite good form in the last run and came in third behind winning Latour. Early contender in case of quick pace. 13 Indeed Grey scored a strong win in October. Blinkers now instead of side blinkers. Interesting. 4 WhoopiLoo convinced a lot in the last race to score the first victory. Challenger despite tougher weight here.

2 Ellis St Martin could never reach winning Falkor in the last race. Faces better weight towards the latter one today and should have top chance here. 6 Falkor has convinced a lot lately and is the main challenger. Early choice despite tougher weight conditions. 3 Running Rolf faces also better weight towards Falkor since the fourth spot in Ulriksdals Minneslöpning. Outsider. 4 Beach Road One has put in a couple of good efforts over these conditions lately. Could cause a surprise here.
