RACE 1 — V4-1 — Auto **2140**

3 Moses Di Quattro put in a strong finish in the last race and with that run under his belt his form should be improved a lot and from a good starting position he has the best chance to win this race. **5 Marjan Black** showed fine form in the last race and high pace just like last time would increase the mare's chances. **9 J.S.Camaro** sprinted well in the last race and is good with the right journey. In the mix. **10 Amazone O.C.** is coming back after a layoff and even though her form is hard to predict, the mare should not be underestimated.

RACE 2 — V4-2 — Auto **2140**

12 Le Mans galloped in the final turn with energy left in the last race. He sprinted well at the end though. Tough starting position, but without a mistake he will not be easy to resist. **9 Valderrama** won straight away in his debut and if he reaches the same level now he has to be considered. **10 Let's Goo Sisu** is consistent and gets better with each start. Early choice despite this lane. **4 Love Caviar** has done well lately but is hard to predict in this type of race.

6 Bekir H.T.V. galloped in the last race when he was about to take over the lead before the home stretch. Can open fast behind the gate and from the lead he is the horse to beat. **7 Anna K.J.** has been matched against tough opposition throughout the summer and autumn and done well. Normally in the fight for victory. **4 Don Quijote Face** scored a good win two starts back and with a similar performance this time the four-year-old has to be considered. **1 Hickory** is not a quick starter but in case of high pace and an opening in time, he is possible here.

2 No Talking You has two wins in a row after a layoff. Will be hard to beat from a good starting position. Our pick. **1 Devs Donator** galloped on the home stretch last time. Looked nice otherwise and if he manages to hold the lead, his chances increase. **5 Victoria L.L.** is fast behind the gate and should be seen as the close favorite to the lead. Is good enough if she is allowed to dictate the pace. **7 Henrik Will** has two wins in a row and is in top form. Five wins this year and could cause a surprise.
