**4 Nordsjö Prinsen** scored a really good win two starts back. Probably finds an early lead, from where he has won once in two attempts on Swedish soil. Good chance. **5 Tekno Britta** is good for this company. If she takes the lead her chance of winning increases, but she is also possible from other positions. **7 Sjö Kosa** has high peaks but needs some racing luck and quick pace. **2 Bäcklös Tili** is up and down, but she is good when she is at her best.

Early choice despite this number. **4 Lizmark** is a bit up and down but often she puts in consistent and good efforts. **3 Scorpion Tile** has done alright in two starts after a layoff.

**9 Global Groovy** finished fifth in the last race. Is working very well and in case of quick pace the horse should have a good chance of finishing to victory. **1 Nando Boko** needed the last race. He is the favorite for the front here and over the short distance he could lead this throughout if he is allowed to dictate the pace. **7 Margaux le Beau** is disadvantaged by the short distance but can pass many opponents in case of over-pace. **4 Ida Godiva** was clearly positive in the comeback.
