10 Caddie Skott did quite alright last time and with a few runs under his belt he is close to top form . Good chance despite this number. **11 Monte Rosa** is not reliable, but if she avoids a mistake she has both the capacity and the speed to win a race like this. **8 Qiana Håleryd** is a quick starter and will get an offensive trip despite this position behind the gate. Has to be considered from the lead. **5 I'm Jonas Joint** is in top form and should not be overlooked.

1 Shadow Moon has only made three starts. Now the four-year-old is the only horse in the first circle and from the lead he will not be easy to reach. **8 Dual Communication** did well in the last race and with that run under his belt he is ready to score his first win of the year. **6 Lovely Wilma** stepped down in class in the last race and was able to win after a sharp finish. In the mix again. **2 Rex Tile** got a run under his belt in the last race and if he could reach the position behind our pick he can be the winner.

1 Laban Lagö reached the front in the last race and won easily. The seven-year-old is really fast behind the gate and he will be very hard to beat from the lead. **7 Global Delayed** won closely from the lead in the last race and did really well that time. Has been a scratch after that due to a throat infection so the form is a bit of a question mark. Normally in the mix. **4 Eclipse Roc** sprinted well in the last race and has to be considered with the right backs. **5 King Of The Hill** will come back after a pause but cannot be completely discounted anyway.
