RANK

4 Husavik is strong and tough but not always fit. Good reports now and the first barefoot is very interesting. Right distance. **6 Gratisfaction** is owned by Daniel Redén and Roger Nilsson has done a great job here. Seasonal debut now but is working well. **5 Andiamo** comes from Stefan Melander and Solvalla and is used to tougher opposition than this one. Good in the qualifier and should get a nice trip. **10 Nordic Beauti** is a good finisher and sprinted fast in the last race in Finland.

RANK

7 Bollinger Bishop is used to tougher opposition but was too fiery in the last race. Should normally have a very good chance to win this. **1 Marttistrip** found a late opening last time but did alright. He won a lot of races at the beginning of his career. First barefoot this year. **11 Il Forte** is a very capable horse who won a heat and final in the V75 but got disqualified afterwards. New trainer here. **4 Peppe Roc** uses to find the lead with this kind of number and has a good chance to do so here as well.

Volt 2140

RANK

3 Arn Silvio should have a very good chance in this race. The stable was pleased before the last seasonal debut and after an early lead he won very easily. Should be even better now and could reach the front. **10 Last Dying Breath** is capable and was brave from outside the leader last time. Barefoot is a plus. **1 Fantastic Godiva** is a quick starter and has good capacity but comes back after a break. Could give away the lead here. **9 Djang Limit** is strong but does not trot perfectly. Barefoot now is a plus.
