6 Chantecler got a tough trip in the seasonal debut and gave up at the end. He will probably be improved by that run under his belt and here he faces nice conditions in the first circle. Normally he is strong and tough for this class. **5 Fabulous D'Arc** has shown really good form lately. Tougher opposition now. **14 Let Me In** is clearly the strongest horse in this field but faces a lot of handicaps here. **3 Kendrix** is not reliable but has really nice speed. Resumes from a layoff now.
