RANK

4 Messi Silver has done really well in two races after a break and took his first win in the last race. He is our favorite for the lead and from there he will not be easy to beat. **7 Pack Control** won three of six races last year and was third most recently in the V85. Clearly easier opposition this time but will return after a break. Early choice anyway. **10 Licorice Sisu** started really well and is a little bit better than the latest results show. Competed in the V85 at the end of last season and has got a break after that. Now with Daniel Redén. **6 Holdup** has not won yet but done quite well and could be an outsider with the right trip.

RANK

6 Remjahn is very promising and has won six out of seven races. Won outright in the last race after a short break and should be even better now. Probably gets an offensive trip and has top chance. **8 Tryll** has shown good form of late and was second in the last race ahead of some of today's opponents. Will have a hard time beating our pick but is an early challenger. **11 Järvsö Rikard** wins often too but has not raced since June last year. Has a tricky number. Possible if the favorite would fail. **9 Fantus** has been consistent and good this year without winning. He was third behind Tryll in the last race and is a good place bet here.

1 Ultimus has won eight out of nine races and he won outright in the last race after a long layoff. Showed two starts back that he can open quickly behind the gate. Top chance from the front. **4 Who's In Charge** is very consistent and comes from a second place in the V85. Good lane and early choice behind our banker. **9 Automatic Flight** comes from two good third places after a long pause. Should be on the way up and hopes for quick pace from here. **7 Ruffel** made it to the final of the Kriteriet last year where he finished sixth. He galloped twice in his comeback last time and his form is a bit of a question mark. Kontio now.

RANK

5 Never To Young earned almost half a million SEK last year and is our pick in this open race. Won after a strong final lap in the last race and has a nice lane. **2 Conrads Stefan** was defeated from the lead by Never To Young in the last race and is looking for revenge. Has to be considered if he reaches the front again. **8 Judge D.** is perhaps the best horse in this race and is coming off an easy win. Difficult lane but is an early choice in this nice race. **10 Unique Princess** hasn't won for a long time but she is in top form and comes from two nice second places. Hopes for quick pace.
