1 Gaie des Brumes has been at least third after five starts so far. Johan Lejon is pleased with his horse and they should have a good chance here even if this number could be tricky. 2 Unique Saint attacked from third on the outside with 650 meter to go in the last race and scored a good fourth spot. 5 Firenze Laser found the lead but gave it away in the last race. She kept up the pace alright at the end. 3 Bella Follo is a lot better than the latest results show and will normally be in the mix here. She should be considered as well here.
