8 Alvena Roy never got a chance from third inside in the last V85 race and looked nice with energy left. Going down in class now and will be difficult to pass if he reaches the front! **9 Ringo Adore** should not do too much work on his own but is really fast with the right defensive journey. Dangerous. **3 Extreme A.F.** is better than the latest results show, but gets often a tough trip. Early choice but needs some racing luck. **5 Västerbo Voodoo** faces tougher opposition but likes the long distance and is Bergh's choice in this race.
