5 Magic In has a nice task here. He was did alright as second in the last race ahead of Nencini and Earnest. Can open fast and is our favorite for the lead together with Jepson. Good chance. **6 Pineapple** earned more than half a million Swedish crowns last year and has done well as fourth lately. Three runs under his belt now. **7 Nencini** had a pretty good season last year but is still without a win this year. Was sixth behind our pick last time but was actually more heavily backed. Kihlström is driving now. **9 Zaire Heldia** faces nice conditions and is a good horse for this field. Has made two races after a long layoff and should be on the way up. Plassen this time.

3 Pamela Boko is our pick in this nice race. Took three straight wins last summer but is now making her seasonal debut. Timo Nurmos uses to have his horses well prepared. Good draw. **4 Vikens Go For It** is a quick starter and won from the lead in the last race. He is our favorite for the front here too and will not be easy to beat from there. **10 Ninepoints Star** was fifth in the V85 at the end of last year and has got a break since then. Faces good conditions and is driven this time by Carl Johan Jepson. Early choice. **11 Noor Schermer** is a Dutch horse and a bit hard to predict. In his only race in Sweden at Jägersro last summer he was superior. New driver.

3 Buddy Topline made his debut for Robert Bergh in the last race and won directly after a break. Should be even better now and has a good lane. Nice chance of winning for Per Lennartsson. **8 Memorial Fashion** has started well this season but galloped straight away in the last race. Chases revenge and is a contender here but has a difficult lane. **2 Falcon** is better than the latest results show and Jörgen Westholm's horse is driven this time by Magnus A Djuse. Good post. **11 The Volcano** is also much better than the latest results suggest. Faces much tougher opponents last autumn and got locked in last time. Run under his belt and Kihlström.

RANK

6 Night Flight has started well with two wins in a row. Has been got offensive trips and we think Jepson goes for the lead here too. In that case, they have a good chance again. **5 Napoleon Sisu** started with two wins in a row and showed good speed in the last race finishing sixth in a bigger race. Early challenger. **10 Billy Hilly** looks talented too. Finished quickly to a second place in his debut and has taken two straight wins from the lead since then. Different lane now but good enough to be in the mix. **2 B.B.King** has not won yet after three attempts but been consistent. Good lane and will get a nice trip. At least an outsider in an open race behind the favorite.
