RACE 1

SUMMER SOCIAL NIGHT CONDITIONAL JOCKEYS' HANDICAP HURDLE (5) 4yo+ (Rated 0-105) £8,000 2m7f32y (4660 Metres)

Going: **Good (Good to Firm in places)**

Left handed, fairly sharp, minor surface undulations. Races are usually well run, especially on the hurdles course, possibly on account of runners being on the turn pretty much throughout, though the sharpish nature of the track means that prominent-racers are often favoured all the same. Fences generally regarded as being fairly stiff for a minor course, though attrition evidence doesn't support this.

Pace Information: **Weak**

BETTING FORECAST:

7-4 Happy Index, 10-3 Tango Theatre, 4-1 Lune De La Mer, 17-2 Flemen's Tipple, 9-1 Present Fair, 28-1 Bahtiyar

TIMEFORM VIEW:

HAPPY INDEX has made an excellent start for Olly Murphy, already recording 3 victories since last summer, and further success beckons judged on her good second at Perth on her latest outing 26 days ago. She's expected to make a bold bid to defy a career-high mark, with veteran Irish raider Tango Theatre, and Lune de La Mer, who has been holding his form well over both sets of obstacles, the dangers.

4 DECLARED RUNNERS

BETTING FORECAST:

10-11 Herja, 3-1 Taktique Gagnante, 4-1 Dothejive, 14-1 Pearl Smoke

TIMEFORM VIEW:

HERJA has yet to finish out of the frame in four hurdles starts, including when runner-up at this course last time out. That form looks solid and she can get off the mark at the expense of Taktique Gagnante who was well-backed on hurdles debut and could improve second time up over the longer trip. Point winner Dothejive is an interesting contender on her first start under Rules and while Pearl Smoke needs to improve on hurdles debut, she does hail from a good yard.

BETTING FORECAST:

9-4 Barranco, 4-1 Sharp Glance, 11-2 Lady Buttercup, 6-1 Guillaume, 10-1 Never Seen Again, 11-1 Trafalgar Square, 20-1 Gower Prince

TIMEFORM VIEW:

BARRANCO has been transformed since joining his new yard, winning back-to-back chases impressively in May before a good third at this course when hampered late. Now switching to hurdles from a lower mark, his claims are obvious. Stablemate Trafalgar Square won well at Hereford on his penultimate start and this test will suit, with Lady Buttercup also of interest on the back of her latest effort.

Useful chaser at his best but isn't the force of old and has been plying his trade in hunter chases of late. Not disgraced when third in a 4-runner hunter chase at Stratford (21f) in May, finding it barely enough of a test. Mark is falling but this looks a tough ask back over hurdles.

Bounced right back to form when successful on reappearance at Uttoxeter and backed that up with an eye-catching third in a class 2 Market Rasen handicap hurdle (20.6f) last month, finishing with running left having been unsuited by emphasis on speed. Solid claims back down in class.

Won 3 of last 5 starts over hurdles, including the second leg of a quickfire double when winning by a nose in 7-runner handicap at Cartmel (15/8) 37 days ago, travelling strongly and jumping fluently. In fine heart and should give another good account back down in trip.

BETTING FORECAST:

DONNIE AZOFF shaped with considerable promise when third in a Class 2 hurdle at Market Rasen last time, finishing strongly having been unsuited by the emphasis on speed and he could be the one the beat back down in class. Course specialist Lipa K, a winner over C&D last month, is feared most with cheekpieces reapplied. In-form Evenwood Sonofagun completes the shortlist after back-to-back wins at Cartmel in May.

Going: **Good (Good to Firm in places)**

Left handed, fairly sharp, minor surface undulations. Races are usually well run, especially on the hurdles course, possibly on account of runners being on the turn pretty much throughout, though the sharpish nature of the track means that prominent-racers are often favoured all the same. Fences generally regarded as being fairly stiff for a minor course, though attrition evidence doesn't support this.

Pace Information: **Very Weak**

6 DECLARED RUNNERS

BETTING FORECAST:

15-8 Donald Jump, 15-8 Garde My Guinness, 7-1 Elusive Power, 15-2 Way Maker, 14-1 Knolton Park, 80-1 bar

TIMEFORM VIEW:

The market should reveal plenty in this closing bumper but DONALD JUMP shaped well when a debut C&D third and is taken to build on it and get off the mark at the chief expense of Garde My Guinness who also started out promisingly in this sphere when occupying the same position at Southwell. Newcomers Elusive Power and Way Maker need factoring in too, especially if the betting speaks in their favour.

TIMEFORM 1-2-3:

1. DONALD JUMP 2. GARDE MY GUINNESS 3. ELUSIVE POWER
