5 Dwayne Zet won easily in the last race with some energy left. He faces similar opposition now and will be hard to beat. **4 Maybach W.F.** comes from a couple of mediocre efforts but has the capacity to challenge for victory. **2 Eder Bob** had no chance against Dwayne Zet the last time they met. Normally hard to take revenge but should have a good place chance. **6 Bravo Sabotage** keeps his consistent and good form but needs some racing luck from this starting position.

5 Kias Emilio did well in the last race, finishing third despite a gallop. The 10-year-old has not won a race yet but should have the best chance to win in this mediocre race. **6 Chaconne C.** is the least experienced horse in the race with only three starts, but has enough speed to be in the mix. **12 Holiday AC** has not started for two months and has now got a new trainer. Hard to predict, but good enough to fight for victory. **1 Uncle Wilson** followed well in the last race and has a good starting position which increases his chances.

4 Dats Pepino won directly in the seasonal debut. Should have improved a bit by that run under his belt and has a good chance to win. **3 Sundbo Trift** has a nice starting position. The six-year-old has won two out of two from the lead with tight starts. Challenger. **9 Gambler** held strongly after the last outside journey. Hadn't started for three months before that and will be improved now. **10 Caliber Af Teda** won an easy race last time. Has to attack from behind now and is a contender for a place bet.

He has the right attitude and would benefit from high pace. **11 Smiley Brodda** was good two starts back with an American bike for the first time and will compete like that again. **3 Västerbo Adventure** is well drawn and is possible too with the right trip.

1 M.P.Flor won easily last time with energy spared. Nice position and if the mare finds the lead she will be hard to beat - even if she can win the race in other ways too. **9 Lia Lykke** won despite a tough journey last time and impressed. Can do it tough and is one of the hot favorites in this race. **11 Grim** came back after a break in the last race. Owns good speed and should be considered early with the right trip. **10 Nelson Rappen** did well in the last race despite a gallop and a tricky journey. Should not be discounted.

1 Powhatan US should have a good chance of holding the lead here and from that position he will not be easy to reach for the horses with a handicap. **12 Dizzy River** got a run under his belt in the last race. Dangerous if he can save his speed until the final half lap. **14 Xanthis Cocktail** kept up the pace well in the last race. Tough and strong and can decide the race thanks to his strength. **15 Global Adventure** was mediocre last time but got locked in the race before. Will pass most of these opponents at the end.
