7 M.T.Puccini does not compete very often but uses to be in good shape when he starts. He has only lost on four occasions. In the last run he got locked in. Good chance to score the tenth victory. 11 Imperatore Doc has shown good form lately. He scored his only win in July and should be followed. 3 Donna Guerriera has been at least third without a mistake and in that case she will be in the mix at the end. 6 Mira kept up the pace well in the last run and is now driven by Mika Forss.

9 Helan is not reliable but has been more consistent this season. This driver is a co-owner and he knows the horse well. Good chance. 14 Leonas Yakira has been very consistent and good this season. She has four wins in six starts this year. Might need this race after a layoff but she should be considered. 5 Jocashi has done alright in two starts after a long break and should be on the way up now. 10 Mellby Image is better than the latest results show and could be an outsider.

14 Got to Dash scored two easy wins this year for Antero Heinonen. They showed good form in the last run and are possible again here. 13 Durello won directly with energy left two starts back after a layoff. Has got an even longer break now but should be considered. 3 Vincent Cheri scored an outstanding win in April and impressed. Set a new record in the last run and has to be considered. 9 Yankee Blue won despite a mistake in the seasonal debut. Scored a new victory in the last run even if he met tougher opponents than in the race before.
