3 **Bore Mikkel** scored eight wins in Sweden last year and impressed on several occasions. However he comes from his strongest performance now. Our pick. 4 **Envis** has done well without shoes lately. He put in a very nice effort in the last run even if he was a bit behind our winner. 2 **Björs Balder** has developed well and in the last run he scored his tenth victory when he won from outside the leader. 1 **Voje Dino** comes from nice efforts too and we would not be surprised if he is in the mix.

RACE 8, V64-4

Auto 2140

11 **Night Art** scored a couple of nice wins last year and with a similar effort he should have a good chance here for his new trainer. 7 **Head Run** has scored most wins in the lead and if he reaches the front he will be dangerous. New driver. 8 **Alexi Quick** scored a good second spot in May but has galloped lately. This distance is the right one and without a mistake she could be a dangerous outsider. 3 **Osah's Bolt** faces quite tough conditions money-wise but that is also the reason why he got a nice number in this race.

RACE 9, V64-6

2 Vega N.O. was second in an elimination heat to Kriteriestoet but galloped in the final last year. Has been more successful in Sweden this season and won both starts on Hagmyren and in Östersund. Good chance. 10 Nelson Helen has been at least third this year and showed good form in the last run just closely defeated. 1 Siri Donna got a break after the mistake in Östersund in February and has won all three races lately. 9 Teknopuma could be in the mix if she lives up to her capacity and avoids a mistake.
