7 Teknologen comes with two wins in a row. In the last race he had energy spared and with a similar effort now he should have a good chance to win. **12 Princessan Stöen** is the fastest horse in this field, but she has galloped in the last two starts. Without a mistake she will be in the fight for victory. **4 Ava Modde** is a quick starter and find the lead. If he is allowed to dictate the pace, he could be difficult to catch. **8 Guli Stina** is in better form than the results show.

4 Turner Ale won straight away in the debut and in a nice and solid way with some energy spared. Fights for victory again. **9 La Nova** also won his debut and impressed after a strong final lap. One of two horses who can win this race **8 B.B.S.Night Winner** has been consistent and good. Is poorly drawn and the mare should primarily be seen as a place bet. **6 Donovan T.P.** has made two good efforts in the last few races and is getting a little better with each start. Gets a defensive trip here and hopes for a podium finish.

9 Izola Silvåkra is a strong filly who now seems to be on her way back. In the last comeback race she looked nice over the finish line and should have made some progress with that run under her belt. Top chance despite this number. **5 Com Isidor** got a tough journey in the last race and is the main challenger to our pick. **4 Brioche** is consistent and good. Could cause a surprise with the right trip. **12 Elmer Wibb** is consistent too, but has been a scratch after the last start which makes him hard to predict.

1 Läckra Louise should have a good chance to take the lead here. The five-year-old has won over this distance before and could do it again. **5 Supersnorpan** put in a good effort in the last race as second. With the right defensive trip, she could win this. **11 Eld Prinsessa** is a fast filly who is possible too but needs some racing luck.
