8 Ajlexes Cubano faces much easier opponents than he uses to. He has not won for a long while but should have top chance anyway here. 3 Hunter Mahan could find the lead here where he likes to run. Is able to fight for a place here. 7 Highway Patrolman got a tough journey outside of the leader in the last race and came in third. Should not be overlooked here. 4 Aramis Amok has galloped in the last four starts. Is quite gifted if he avoids a mistake.

11 Estelle Godiva is a four-year-old mare who has shown quite good speed. Faces easy opponents here and despite this back row draw she is our pick here. 1 Whilma Majo did alright from behind the leader in the last race. Could get a nice journey again here. In the mix. 4 Garri Westwood can do better than he has shown lately. Nice number and possible again if he is at his best. 5 Timogene is chasing the first victory. Is quite fast when he trots well. Outsider here.

6 Xenon Gel resumed from a spell in the last race but did not convince. He is a bit better than the rest here and our pick anyway. 7 Stjärn Truls C.F. came back alright after an early mistake in the last race. If he avoids a mistake this time he is possible here. 1 Nova Tabac has got an interesting number here. Quick starter and will certainly try to lead this for a long while. This distance is the right one. 3 Bragetulla is chasing the first victory. Will get a nice trip here and is an outsider.

3 L.L.Labero galloped directly in the debut for a new trainer in the last race. The chances are not easy to predict but this number is nice and the Kylin Blom stable is in good shape. Our pick. 2 Bottnas Hercules has galloped a lot lately. Is fast for this company and should be followed without a mistake. 6 A Perfect One was close to win two starts back and is in quite good shape. Is not reliable but if he avoids an error he is possible here. 9 Going Behind has a couple of runs under his belt after a long pause. Outsider.

7 Casanova Majo finished 10/700 two starts back and looked quite nice. Early contender in this company with a similar performance. 1 Gusto has raced twice for Strömberg. Should be on the way up and is an early choice even if she has earned less money in this race. 5 Beware scored a strong win from fifth on the outside on Gävle at the end of June. Possible here with a similar effort. 6 Okashi Cheri did alright from outside the leader in the last race. Is an outsider this time.

13 Mellby Granat is the most successful and best horse in this field. Has not raced since November though and this is the debut for a new trainer too. Our pick directly. 9 R.K.Rapida was not at her best in the last race. If she is as good as she was in July she should be considered early in this company. 2 Begging for More has got a new trainer. Is good enough to be in the mix here and this number is nice. 4 Alva's Astrid can finish quite fast and with the right defensive journey on the inside she could be an outsider here.
