4 Timotejs Online has got a break after the last race and is heading towards the Oaks and will need this race to get into shape. However, the capacity is really good for this class and she can do it tough. Our winner. **11 Phoebe Boko** has been in tough companies all the time and is now stepping down in class. **6 Hafsnymfen** is still undefeated and now she has a run under her belt after a long absence. **3 Slipstream Zon** faces the toughest task so far but has shown the right pace.

2 Wise Guy has impressed and is the best 3-year-old in Scandinavia and maybe even Europe. The superstar is coming back and heading for a couple of big races. He has of course top chance here. **6 Cabello** has also impressed, but not at the same level as our pick. However, he should have a good chance to finish second. **5 Valla D'Gaagaa** has been matched nicely and won in five out of six starts. **4 Lion** is capable as well.

1 Cabouy can open fast and even though the inside lane might be tricky, the four-year-old has shown both capacity and great development which makes him our pick here. **5 Illyrian** has shown nice resources but did not convince from the lead in the last race. Tight starts that time though and now the three-year-old has recovered. **4 Churchill Face** has two runs under his belt for the new trainer and should therefore be in top form now. **6 Hennesi Butja** has been matched in tough companies lately.

4 Franky Bahia owns great capacity for this class but his career has not been entirely straight forward. The six-year-old is both strong and fast but would benefit greatly from finding the lead where he has scored five out of six wins. **7 Quattro Håleryd** won convincingly in the last race. The driver is experienced for this race and she will certainly be able to use the horse's strength. **2 Nice Run** held strongly as second in the last race in a top time. **8 Quick Bo** is up and down but when he lives up to his capacity he is one of the better horses here.

3 Our Brodde won in a convincing style in his debut for trainer Untersteiner last time. However, he failed in the last V75 final. Is working well and could get quick revenge here. **7 Diamond Kronos** has found fine form for the new trainer and got two runs under his belt. The strong six-year-old is too good for this low class. **4 Bravo Balthastore** did alright in the last V75 race. **6 Nevermind River** is not bad for this class and owns good strength.

4 Sandokan finished 09.1/1000 last time and did well behind Icebreaker Pellini. He is now stepping down in class and from a suitable starting position he should have top chance if he is at his best. **5 Nelson Daytona** is strong and tough and won comfortably last time. Took the lead after half a lap then. Before that he was second behind Charron. **1 First Time Roc** is capable, but not fast enough to find the lead from here. **6 Dats Tore** is very speedy and scored a good win in the last race after a perfect journey.
