12 Kyrkebys Lisbet gets the tip in this really weak race. She had a good season last year and comes from a heat to Derbystoet. Much easier this time and interesting lane. **4 Global Feature** is probably the best horse in the first circle. Did quite well last year for Kim Eriksson and is making his debut here for the new trainer. A bit hard to predict of course but an early choice. **10 Candle T.T.** faces perfect conditions and is quite consistent and good. Early contender in this field. **9 Walkabout C.L.** has earned the most money this year but not won yet. Was third in a big race in July. Easier now.

8 Maverick Dream is twelve years old but still going strong. He took two wins in a row in May and we think Anders Zackrisson will take the lead here despite this lane. Good chance. **10 Lavender** earned more than SEK 900,000 last year and won several big year races. Not as successful this season and returns after a break. A bit hard to predict but still early choice. **6 Bugatti Veyron** is quite consistent and good. Comes from a third spot and seems in good form. **1 Das Auto** was also third in the last race. He is a quick starter and will probably get a good trip. Pocket behind the favorite?

6 Return of Mogens has won two of the last three races and is probably the best horse in this field. A bit tricky number and is driven by Clara Flodman now. **8 Hessel B.Rapida** won quite easily in the last race and beat several of today's opponents. Driven again by Christian Cracchiolo. **4 Funny Money** comes from Björn Goop but makes his debut for Fredrik Persson here. Did quite well last year and has to be considered directly after a layoff. **7 Hillton Band** was second behind Hessel B.Rapida in the last race together with today's driver. Will be looking for revenge here.

11 Nelly Rose has shown good form of late and took the first win ever in July. Was a runner-up in the last race and will be driven by Claes Sjöström again here. **7 Suntory Ibiki** has also done well this season. Comes from a win from the lead and wants to get there again. Quick starter and our favorite for the lead despite this lane. **3 B.B.B.Sky River** finished first and third together with Johan Wiman in June and July. He is now driving again. Can open fast. **6 Pippi Jons** has been second and third under the saddle recently. New driver. Is mostly a place bet here.
