7 April Song comes from a nice victory over these conditions after a nice ride. Our pick in this amateur race. 3 Booming Sands is a three-year-old who has not started a lot yet. Was improved in the last race and will be ridden with blinkers again. Early choice. 2 Indeed Grey has scored the only victory so far over these circumstances. Possible but tight starts is a question mark. 5 Highland Obsession has been consistent but without impressing. This longer distance is interesting though. Typical outsider.

2 Globemaster never had a chance in Bro Parks Sprint (L). Scored the latest victory over these circumstances in this class and with this jockey. 6 El Camino is a quick starter and has the right attitude. Stands this weight and should be considered early. 3 Visiteur Du Pom id dwell in the last race after an outside journey behind outstanding Firebomb. Possible outsider. 1 Oche Dart showed great form in the last run after victory from the outside in a Sunday Special. Should not be overlooked despite tougher weight.

5 Deadline Day showed good form in the last race after a nice finish from far back. This small field is an advantage. Top chance. 1 Alsimsaam was improved with blinkers in the last race after an offensive ride and won comfortably at the end. Main challenger. 4 Farhh Out was third in the last race heavily backed behind stable companion Alsimsaam. Place chance. 3 Zingaro Boy likes the Bro Park dirt a lot. The form is a question mark though after the latest efforts. Just an outsider.

3 Chinese Emperor comes from a well deserved and outstanding victory. Our winner with a similar effort. 10 Daybreaker scored a close but comfortable win in the last race on this surface and the three-year-old is still on the way up. 5 Snowstorm got three kilo up after the latest victory but starts on the former rating today. Nice task and a contender again. 8 Gordy showed good form in the last race and was third to Daybreak just closely defeated. Faces tougher weight towards the latter one here. Place chance.
