4 Kopper Dust has really done well at Århus and developed from the three- to the four-year-old season. Tricky number here, but Birger Jörgensen is experienced and they should be a good opportunity. **2 Email Address** is not reliable, but if the horse avoids a mistake, he will not be easy to reach here. **3 Kaiserslauten** needs some luck along the way, but should get a nice trip with just a few horses in the first circle. **7 Ida Toft** is going down a bit in class.

4 Haps has galloped in two straight starts, but it has been over much tougher conditions. Faces quite good opponents here as well but Steen Juul's horse should have a good chance anyway. **3 Twin Peak** wins very often who has won almost half of his starts. Tougher opponents now, but should be considered early. **5 Gibson S.H.** does well most of the time and likes this distance. **2 Huxi** is an early contender in the first circle.

3 Kungfufighting has done really well throughout his career and in the last two starts too. Finished third in the Danish Derby two starts back and then won the Ålborg Stora Pris last time. Good chance here too. **5 Kazio** is very speedy but maybe hasn't been at his best lately. If he lives up to his full potential he is an early choice. **4 Karlo Molar** is possible too but needs some racing luck. **6 Klinton** got defeated by Kungfufighting both last time and two starts back.

6 Hands Up Cash is a bit tricky, but when he is at his best he is very good for this class. In that case he should have top chance here. **8 Kohkahycumest** is going down a bit in class this time but has got a poor starting position. Owns good speed. **4 Condor Jet** does well most of the time and is perhaps the most consistent horse in this field. **7 Maserati M.I.** has done well in the last two races.

5 Henri Cloc had a tricky lane in the last race but was still a good third after a sharp finish. This time the conditions are better and there is no doubt that the horse is in good shape. Has to be considered early in an open race. **3 Generalen** looked a bit slow in the last race, behind Henri Cloc. Can do better than that and is an early contender here. **4 Reginald Dwight** is gifted, but not completely reliable. Possible without a mistake. **7 Defender Grif** is matched in good companies and is strong and tough.

7 Menza has impressed in three starts and should have top chance this time as well. He is still inexperienced but seems to develop very strongly. **2 Makememoni M.S.** was very nice in the debut and is the main challenger from this perfect lane. **1 Meslois** comes from Paul Hagoort's top stable. Possible with the right trip. **12 Monterey Market** is the one who has shown the best capacity behind our pick, but the horse is poorly drawn here.
