5 Jakob K.Boko got a bad start behind a slow opponent in the debut but came back well to finish second. He showed 13/800 to win from second on the outside in the last run. Is developing well and should have top chance here. 9 Thai Lannister has been up and down so far and the chances are not easy to predict. Has good capacity though and is a challenger. 2 Bucefalo Gielle has not convinced so far but is quite fast and possible too here.

8 Princess Kloster got a safety start in the last run. Got a journey third on the inside/second on the outsider and scored a nice victory after a quick finish. Handicap now but good chance anyway. Banker. 1 Tidore Degato was brave and could win despite a tough journey two starts back but did not impress in the last run. 2 Just Make It is in good shape and if she handles this number she is possible here. 5 Quite a Barbara has done well in the last two runs and is in good shape. Contender.

2 Match'em has got a better number than the main rivals and that could be decisive here. Has scored two wins in two starts and could score a new one here. 7 Aquarius Face has a very good reputation since he is the first son to Mosaique Face. Has very good capacity. 3 Cool Kronos belongs to the same stable as our pick and he seems to have good ability as well. 5 Good Vibes has impressed and is an early contender too here.

Poor number but top chance again. 9 Chipper Kronos was outstanding in the lead in the debut and finished strongly after giving away the same position in the last run. 6 Manual Flight is promising too and is possible if Lugaer finds a nice position with his horse. 10 Global Catwalk has also shown good skills.

9 **Demon Ima** is promising and could have been a banker if he had been in great shape. But he has not competed for a long while and the form is a question mark. 7 **Falm** is a slow starter but uses to finish fast. Two starts back he won after a strong final lap and a great finish. 10 **Sobel Nils** resumes from a spell just like our pick and might need this run to be at his best. Early contender anyway. 8 **Inazawa Smart** can open fast and will go for the front anyway despite this number. Early choice.
