**RANK**

**4 Danilo HB** is a quick starter and is the top favorite. Won nicely last time and showed top form for the day. Will be hard to beat in the front. **9 Fighter Simoni** doesn't win very often, but will get a nice sneak trip from here. Has good speed and quick pace would suit him well. **6 Immigrant Am** is not a bad horse for this context. However, has been a non-starter for lameness after the last start and there are question marks around the form. **5 It's Time** is good for this class, but has no victory in 23 starts for the current trainer.

Good post now and should have the best chance of winning this race. **3 Mindyourlove WF** put in a good effort last time and is an early contender with a similar performance. **9 Lucky Lane** is getting better and better for every start. Defensive trip from here and will put in a good final lap. **12 Simb Rooney** won easily after a good trip last time. Tougher conditions now, but should not be overlooked.

Good capacity for this class and should be able to defeat this company with a fast final lap. **5 Semifreddo SF** is fast from the start and has a chance to get to the lead and from there he must be counted. **10 Ellen Ripley** scored a good win three starts ago. Locked in with energy left last time. In the mix. **9 Jobas Gofy** won in a 1.14-time last autumn and will fight for victory with a similar effort.

**1 Wehadthemall** may not be able to hold up the inside post initially, but in terms of capacity the four-year-old is an early contender in this type of race. Will hardly going get there now, but has to be considered. **7 Ess Expression** can open fast and will get an offensive start. Hard to beat in the lead. **5 Stepping One** is not in as good shape as last autumn, but cannot be discounted completely.

Good in the race before and drops a bit in class now and is our pick in an open race. **7 Zmarta Tim** galloped with 250 meter to last time still fighting for victory. Can get revenge now. **3 Louisiana River** is a quick starter and will not be easy to beat if she gets to the lead. **2 Escama** is fast enough to be in the mix. Early contender without a mistake.

### RANK

**1 Henry Palema** should have good chances to find the lead from the inside post just like last time. Will not be easy to reach if he is allowed to dictate the pace a bit. **7 Email** showed good pace in a few starts during the autumn. Is not bad and should be considered despite this number. **3 Zazu** has a good starting position, but has been a non-starter after the last start, so the form is somewhat difficult to predict. **4 Isac Journey** likes this season and should he manage to reach the front, the chances increase.
