10 Keep Loving You wins quite often and comes in good form. Has quite a tricky number but is driven this time by Carl Johan Jepson and that is of course interesting. **8 Id Diamant** is a good challenger. Earned the most money and is better than the latest results show. Comes from a V85-race at Momarken and will face easier opponents now. Is a quick starter and we think he gets an offensive start. **6 Excellent Cleaning** has not raced for almost a year and is of course a bit hard to predict. But he is really good for this company. Outsider together with Bood. **9 Support Young** took a good win at today's track in October. Is quite consistent and possible with the right trip together with Markus Linryd.

4 Ile De France gets the tip in this mediocre race. He has done well in two races after the layoff and Carl Johan Jepson will probably take the lead here. Good chance in that case. **12 In Thelligens** is perhaps the best horse. Earned the most money last year and took two wins in a row in November. Has faced better opposition lately, Early choice despite this lane. **9 Gunhild** took two wins in a row last July. Galloped in the mini-comeback last time and will probably get a defensive trip from here. Per Linderoth will drive this time. **2 Queen Of The North** was fifth in her debut for Anna Forssell in the last race and finished fifth together with Jesper Rydberg who is driving again here. Good lane.

13 Beartime faces very nice conditions and has a good task here. He is used to tougher opponents and comes from a third place in the V85. Normally top chance to pass all horses here. **8 Victory Poseidon** has quite a tricky number but Björn Goop's horse seems in good form even though he hasn't won for a while. An interesting challenger. **1 Mr Birdman** has a perfect draw and is our favorite for the lead. Driven this time by Petter Karlsson and possible if the favorite is not at his best. **2 Nowhere Fast** beat Mr Birdman in the last race despite a gallop. Had a pretty good season last year and took five wins. Can open fast and should get a good journey.

6 Douglasdecastella is our pick in this tricky race. Took his first win in the last race and is driven again by Carl Johan Jepson here. **10 Larissa B.R.** won two starts back with Björn Goop and he will drive again here. Hopes for quick pace from here and is a very early choice in that case. **3 Maui Sun** comes from a second place but has got a break after that. This time he is driven by trainer Petter Karlsson. **2 Barkov** had a good period in September but his form is a bit of a question mark now. He is our favorite for the lead and Per Linderöth is in the driver's seat.
