3 Azzurro was driven to the outside of the leader last time but could not fight for victory at the end. Here he could find the lead and he likes to run there. **9 Nat King Cole** galloped into the first turn last time and was not at his best that day. We think he can do better than that. **8 Humanity Pellini** failed last time from the lead but had shown good skills from the front before that. Belongs to the better horses in this field. **7 Backer TR** has shown high capacity and should not be overlooked here.

He showed good speed as a three-year-old and should be counted on early. **5 Foolish Pleasure** put in a strong final half lap last time and won easily directly in his seasonal debut. **7 Toni Barosso** did not convince last time and galloped twice. Can do better.

5 Organzza has been matched against tougher opponents during the last year and belongs to the better ones here. She is fast from the start and should she find her way to the lead, she has to be counted straight away. **2 Miking** was a finalist in StoChampionatet. Gets a good run here and early choice directly in his seasonal debut. **7 Cheri Cheri Lady** has four consecutive starts in the V75 and faces easier opposition now. **1 Mazuocco Boko** put in a good performance last time. 7 Capitano has galloped away a lot in his career on the way to good results. He is fast from the start and should he reach the lead, he is the horse to beat. **3 Soundtrack** has started in the V75 at the end but was not very successful. Easier opponents now. **8 King of the Hill** did not convince in the seasonal debut after a trip behind the leader. He certainly needed that race and we expect a better effort now. **1 America Dream** has got a run under his belt now and has been drawn to a nice lane for a defensive trip here.

We believe that Adrian Kolgjini is offensive this time too and the horse is our winner. **3 Bowler Day** makes his seasonal debut now and the form is a question mark. Is consistent and good and likes this distance. **6 Flirting Diamond** won comfortably from the lead second last. **8 Franklin Zet** made his seasonal debut last time and is certainly better with that run under his belt.

1 Microburst returns after a short break now and makes his debut for Johan Untersteiner. Is fast behind the gate and should she manage to hold the lead, we think she will lead the race for a long time. **7 Peak of Glory** is capable when she avoids a mistake. Can do it tough and will fight for victory here. **5 Global Delicious** gave up after a trip on the outside last time. Prefers to attack from behind. **4 Global Delightful** found a late opening in the last run and sprinted alright the last bit towards the finish.
