9 Eva Aloha never had a real chance in the last V85 race but did really well two starts back. Will face similar opposition here and should be considered early with Mats E Djuse again. **11 Da Vinci Face** looked defeated in the last race but fought back to victory. Scored a good win in January too. Is strong and can do it tough. Early challenger. **14 Global Fighter** made the most money last year but is coming back after a layoff here. Runs barefoot straight away which is an advantage. Tricky number but possible if well prepared. **12 I.B.G.Flair** has been consistent and good of late without winning and was fourth from the lead behind Da Vinci Face in the last race.

5 Sol Flamma did not win a race in 22 starts last year but has improved significantly this year with a victory and a second place. Won from the lead in the last race and is driven again by Fredrik Plassen. **7 Lill Alf** earned the most money last year and is certainly one of the best horses here. Makes his seasonal debut but should be considered straight away. **1 Klack Hilton** has only one win so far but he has put in several good performances this winter. A bit tricky number but is possible. **2 Lill Tesla** has been second from the pocket at the end. Was clearly beaten by Sol Flamma in the last race. Quick starter but will probably give away the lead again.

11 Pac Man Newport is undefeated after two races and has done well. He won closely in his debut but took a fairly easy win from the lead in the last race. Different number this time. **5 Beau Fille** has done well after a layoff. Won straight away in the comeback two races ago and sprinted well to a third place in the last race. Will probably go for the lead here. Challenger. **9 På Toppen** was superior in his debut last year and has done quite well after that too. Doesn't always trot perfectly and is now coming back after a layoff. **10 Hervey Island** has also got a pause. Won at this track in September and is this time driven by Rikard N Skoglund.

4 Global Easy Rider was not at his best last time but still gets our pick. The horse can do it tough and took three straight wins last autumn. Driven this time by Mats E Djuse and is our favorite for the lead. **5 Global Embargo** is probably one of the best horses in this race and comes in good form. Good draw and early choice. Barefoot now. **9 From The Hip** is Tomas Pettersson's choice in this race ahead of our pick. He is often more heavily backed but hasn't won for a while. A bit of a tricky number. Early contender though. **3 Coin Master** was a brave runner-up in the last race and seems in good form. He competes barefoot and is now driven by Fredrik Plassen. Good lane.
