6 S.G. Mistral has become a winning machine for Oscar Berglund and comes with three wins in a row. The seven-year-old won last time with plenty of energy left, just like the time before. Good chance to score a new victory here. **8 Kiwi Sisu** has a lane on the outside of the favorite and could get a tougher journey here. **5 Global Delayed** may find it difficult to challenge our top duo but finished strongly in the last race and showed fine form. **2 Bollinger Bishop** needs a few more runs under his belt before reaching top form.

2 Rockforest Tin has shown nice speed resources for this class and is a quick starter. Good chance to reach the front and Jonna Irri is rightly on the way up about her 4-year-old, but the horse needs to stay calm over this long distance. **5 Jelinek** is in top form and with much more experience than our pick, the horse will be in the fight for victory. **7 True Exception** faces good conditions and should improve by the last run under his belt. **4 Global Frenchie** usually needs some run under his belt before the right form is established.

1 S.G.Felicity has done well in tough races at Solvalla, but now she is interesting in the debut for Oscar Berglund in a much easier field than she is used to. Interesting changes have been announced. Good chance. **4 Crazy Jane** has become more experienced over the winter and won the seasonal debut strongly from the outside of the leader. Is developing well. **3 Somebody's Emotion** has started his career promisingly with three consecutive second places. Good skills and early choice. **5 Babish** has shown enough capacity and could compete for victory too.

3 Älvsnabben M.R. has had a nice winter for the new trainer with two wins in four starts. He won very easily in the last race and despite a short break before this race, his form should be intact. **2 Moshus Prinsen** has put in many consistent and good efforts. He was not at his best last time though. Now the opposition is a bit easier and the eleven-year-old is well drawn. **7 The Teknologen** got a tough journey on the outside of the leader last time. Is capable and should be considered early. **11 M.P.Flora** is now making an exciting seasonal debut. Has good capacity and could be in the mix right away.

9 Restricted Edition showed great capacity as a 4-year-old and put in strong performances. The six-year-old has got a new trainer now and made a successful debut last time. The form is certainly on the way up. Our pick. **12 Nightwish River** put in a strong performance right after the break in the last race and looked clearly improved. **8 S.G.Dangerous** performs at a high level all the time and deserves a victory. **7 Ride Away** was really sharp two starts back and is an early contender here with a similar performance.

11 Arn Silvio is clearly the best horse in this field and with two straight wins under his belt, his form is top notch. The six-year-old is both strong and fast and gets the tip even though he has to catch up 40 meter towards his main rivals. **3 No Regrets Renka** took the first win of his career in the last race after a strong effort in the lead, where he held off chasing **4 Margaritaz**, who is more inexperienced but owns good capacity for this class. **6 Husavik** won his heat to reach this final very easily and comes here in top form.
