**6 Hauan Stjerna** is consistent and good. She has started well during the winter and been strong and has a good chance in this small field.

**Perla** has not started for a very long time. Was one of the absolute best of her year last season. **5 Hage Tor** is very consistent and good.

**11 Briskeby Pilen** galloped directly two starts back, but got his revenge last time. Has very good speed for this class and should he avoid a mistake, he is the horse to beat. **4 Boxer Ø.K.** faces better opposition than ever, but is very interesting with Eirik Höitomt in the driver's seat.

**8 Eld Rapp** is a winning machine for Tom Erga. Often he either gallops or wins but faces tough opponents now. **7 Kringelandisak** has been in good form lately.

**7 Bunny** belongs to the best Norwegian fillies. Makes her seasonal debut and might need this race, but she should have a good chance to win directly here. **6 Hearts** is in fine form. Is not as good as our pick, but she has started regularly and probably there isn't much difference between them today. **8 Ivana Nordic** has good capacity and is making her debut for the Hamre stable here. **4 Monalisa B.R.** has a run under her belt.

**15 Voje Lotta** was brilliant in the seasonal debut. Met many of today's opponents. Normally she should win again together with Lars Anvar Kolle. **6 Asakblomst** won in a very good time in the last race. If she is as good now she could be in the mix here. **9 Allie Ø.K.** faces a better handicap towards Voje Lotta this time. **13 Asakstjerne** is very consistent.

**7 Thai Terminator** galloped in the last race. He has good capacity and despite this tricky lane behind the gate, the horse is our pick here.

**11 Weekend Vibe** impresses every time. Now he faces his toughest task so far in Norway, but he could be the best again, despite this draw. **1 Lippi** did very well as a 3-year-old. Should not be overlooked.

**5 Allegra Avanza** is good most of the time.
