**4 Hr. Hefner** is our winner in this cold-blood race with only five participants. He comes from a second place but had taken two straight wins before that. Won a total of seven races last year. Good chance. **5 Vill Solen** has earned by far the most money in this race. Just kept up the pace in the last race as unplaced but can do better and this small field is a big advantage. **3 Nelson Anton** did quite well last year but has not been on the podium this year. However, he got locked as fourth in the last race and can get revenge here. **1 Lisabella** gets a defensive trip from here and can maybe take a place.

**7 A Perfect Match** has started really well with two wins in a row and was superior in the last race. Looks promising and should have a good chance again. **3 Quite Nice** has also two wins in two starts. Has won comfortably but now faces slightly better opposition. Early choice anyway. **5 Having Permission** has taken three wins in four starts so far. Did not trot well and galloped two starts back. Has had a break but is possible straight away. **4 Leonardus** has not won yet after nine attempts but has been very consistent and good. Followed nicely after a quick finish as third in the last race.

Finished quickly in the last race as second. **11 Queen Of Dodo** gave up in the last race but has had a layoff since then and is probably better now. Should not be overlooked here. **6 It's Only Magic** was clearly defeated by our pick in the last race but can do better and is quite consistent and good.

**7 Twenty Dollar** won four races last year and gets the tip in this rather weak race. Has faced slightly better horses than these and should be considered early. **1 Musical Sun** is coming off a comfortable win from the lead. Has an excellent lane and will definitely go for the front again. Good chance in that case. **8 Joconde Du Calorne** was third in her comeback in the last race and followed quite well. Should be improved now and is a contender despite this poor number. **3 Emir Diamond** is not that bad but has been a scratch twice since the last race. Good lane. Can surprise if well prepared.
