2 Ingela K. has got a tricky number in this debut but if she handles it she should have a good chance directly. 7 Staro Proud Mary has got an interesting number here. The three year old horses trained by Nurmos use to put in good performances directly and she has to be followed. 10 La Fille de Niky is interesting in this debut. Tricky back row draw but we think she will be in the mix with the right trip. 5 Swept Wing is driven by Örjan Kihlström directly in this debut. Early contender if she handles this number.

3 Balsamine Font scored a couple of very convincing wins at the end of last season. Back after a winter in France now and our winner here. 6 Darah Bibo won easily after an early lead two starts back. Was not at her best in the last run but is normally an early choice here. 4 Arquana As has done well despite poor numbers for the new trainer. Faces quite tough conditions money-wise here but she is developing really well. 2 Up to Me is well drawn and she can open fast. Faces a couple of tough horses here but with the right journey she should not be overlooked.

10 The Fastlove is Björn Goop's pick out of three horses here. She won the last race after a fast finish and she is our pick again. 4 Double O.Seven belongs to the same stable. He won the debut from outside the leader and can do it tough. 7 Global Behindnoone has put in a couple of strong performances this year without winning. Early contender here but needs some racing luck with this number. 6 Excellent Diamond has been at least third so far. Should not be overlooked here.

3 Franklin Face is on the way up for the new trainer and comes from a splendid victory. Is well drawn behind the gate. Our pick. 6 Final Dream was more heavily backed than our pick when they met in the V75 two starts back. Tougher number now but he uses to meet good opponents. 4 Adi Gallia was better than ever for the new trainer in the last race and seems on the way up. Is good for this class and should not be overlooked. 9 Reigning Moni can do better than what he showed in the last race and resumes from a short break. Outsider.

6 Final Whistle has three straight wins and showed in the last race that he stands this long distance. Good chance to find an early lead here. Our winner. 9 Artful Deimos took over the lead after 500 meter in the last race and was brave. Is consistent and good and will be in the mix. 7 Bat Marke has two second spots over the long distance lately. Needs some luck with this number and could be in the mix then. 11 Romantico galloped directly in the seasonal debut. Is good for this company.

3 Erv Zet has been consistent and good this year. Was defeated in the lead in the last race but put in a good effort. Nice number and our pick. 10 Cavatappi did not impress in the seasonal debut. Looked really slow but should be improved by that run. Has good capacity. 7 M.T.Powertool took his first win in the last race. Scored a good second spot before that and is developing well. 2 Biscaia took over the lead after 450 meter two starts back and won comfortably. Same number behind the gate here.

3 Mister Hercules was the favorite in the last Kungapokalen elimination heat but he was not at his best then. Faces nice conditions here and is our winner. 8 Elegant Ima is interesting in this seasonal debut. Is a top horse who won seven out of eleven races last year. Early contender directly despite this number. 5 Henry Flyer Sisu was third in Kriteriet. He has not raced since October but Nurmos uses to have his horses well prepared. 6 Hector Sisu found a late opening on Örebro and was not empty at the end. Could cause an upset here with the right journey.

3 Daven Port came back very strongly after a mistake in the last race. Scored two splendid wins in a row in the beginning of his career and without a mistake the horse has top chance with this nice number. 8 Carl Halbak has been in the mix without a mistake on the home stretch in the last race. Poor number now but he should be considered early anyway. 5 Mellby Joker is on the way up and was not empty two starts back fourth up. Has to be followed too this time. 9 Mustang Racer attacked to the position outside of the leader in the last race and won easily. He is developing well. Contender.

6 Global Countess is consistent and good and was not empty at the end in the last race. She should be improved and is our pick in this open race. 7 Breeze is not reliable. Is probably the fastest horse in this race and despite this number she should of course be considered early. 12 Lacille Boko has three wins in four starts so far. Back row draw now but she will go around many opponents anyway with the right trip. 5 Al's Starlicious is chasing the first victory. She finished strongly in the seasonal debut and could be ready for victory here.

Auto 2140

9 Marion Fouty Bon faces tougher horses than ever but we think she should have top chance to score the eighth win in the ninth start. Won very easily in the last race finishing at a 10-pace. 5 Malvha Ha has one run under his belt. The horse made it to both E3-finals last year and was second in the long version. 4 No Business was third in a Breeders Crown-final last autumn. Won directly in the seasonal debut and should be even better now. 1 The Primerose has four wins in a row. Tougher opponents now but is on the way up.
