1 Giovanna Coger can open fast and should have top chance here with this number one behind the gate. Banker. 5 Just Perfect Sisu was very good in the debut for Preben Sövik and should be even improved by that run under his belt. Early choice. 3 King of the Hill makes his debut for a new trainer. Was brave from second on the outside in the last run and should be considered directly. 12 Kyrie Eleison is speedy but he needs lots of luck with this poor number.

7 Kid in America was not empty in the debut and she won the last run despite an early mistake. Good chance again. Our pick. 3 Luca Barosso won comfortably in the lead in the debut but galloped in the last run with 100 meter to go still fighting for victory. Early contender. 11 Here's Johnny Sox won five starts back and needs new starting points here. 2 Kipketer Mearas won easily in the lead in the last run after a quick finish. Tricky number but possible again without a mistake.

11 Cassius Clay D.E. showed good speed after a mistake in his comeback. Has eight wins in nine starts. Good chance. 4 Valnes New Love followed attack from far back with 500 meter to go in the last run and finished very fast. Normally an early contender here. 6 Reckless Tile failed in the last run but was good before that and is definitely fast enough to win this. 1 Momimhome is up and down and the chances are not easy to predict. If she is at her best she is possible here.

Tricky number here but early choice without a mistake. 6 Fabror Melker is a lot better than the latest results show and he is worth a warning here.

7 Brady D.E. scored a good win in the lead in the last run. Will go for the front and has a nice chance again. He faces perfect conditions money-wise. 3 Loyal Cash resumed from a spell in the last run and did alright after a quick finish. Main challenger. 10 Mellby Ivy did not convince in the last run but was good against tough opponents before that and is normally an early choice here. Possible behind the favorite. 5 M.T.Rapunzel finished well from behind the leader in the last run. Has two runs under his belt now. Place chance.

12 Dea Grif won an E3-final on Örebro in August but has not convinced after that. Resumes from a spell now. Our winner. 10 Charliebrown Effe is strong and can do it tough. New driver tonight and early contender. 7 Elephant has got an interesting number and would be interesting to see in the lead. Has to be considered. 9 Wish Me Magic is not bad and with the right pace and journey he could be in the mix here.
